CONVERGENCE #1

DC Comics

This is it! The entire DC Universe — from the dawn of time through The New 52 — must fight to survive against a threat that bends the multiverse to it will! Writers Jeff King and Scott Lobdell are joined by artists Carlos Pagulayan and Jason Paz for this epic miniseries!

REBELS #1

Dark Horse Comics

Writer Brian Wood, with artist Andrea Mutti, tells the story of America's first colonial freedom fighters, the *Rebels*, defending life and liberty from the oppressive and excessive British government circa 1775, in this series steeped in our country's history.

FEBRUARY 2015

FEATuresFEATuresFEATuresFEATuresFEATures

IN THIS ISSUE: Black History Month 2015

February is Black History Month, and here at ***PREVIEWS***, we're showcasing comics and graphic novels that feature black characters or are created by African-American creators, or somehow describe the black experience in America. We've got biographical comics telling the stories of the likes of Nelson Mandela, Jackie Robinson and Martin Luther King, Jr., and tributes to comic artists like the Golden Age great, Matt Baker. We've got a profile of Indie Edge artist Jerry Gaylord (Fanboys vs. Zombies) on page 13 of this issue, and we point out some of the great titles offered this month in a special boutique section, located at the beginning of our Comics section on page 252!

FEBRUARY BRINGS NEW TOYS!

EDITOR'S *note*

What a difference a year can make. Here it is, it's early January once again, and once again we had some snowfall right before we went to press. The more things change… right?

Another "replay" from last year is that our Toy Team will once again be making the trip north to New York City for the 2015 International Toy Fair, scheduled for February 14-17. We'll once again be scouring the four corners of the Jacob Javitts Center for the latest and greatest in toys and collectibles, and our ***PREVIEWS*** world staffers will be there to capture the events in photos and videos, which you'll be able to view, as the show progresses, on ***PREVIEWS*** world**.com** and ***TOYCHEST*** news**.com** as. I for one can't wait to see what's new this year, and what some of the bigs have planned for Comic Con exclusives… what treasures could Hasbro and Mattel have in store for us for this year's Comic Con Exclusives? We'll just have to wait and see!

Also in this February issue of ***PREVIEWS***, we're once again featuring *Black History Month*, celebrating African-American comics, characters and their creators. We've got some great backlist items as well as all-new titles being offered this month, and we've even got a cover gallery on this issue's *FlipSide* featuring some of Comics' original black super heroes and their first appearance issues!

And finally, don't forget that **Free Comic Book Day 2015** is rapidly approaching on Saturday, May 2nd! We revealed all of the titles (and our 2015 *FCBD Commemorative Artist Series T-Shirt*, drawn by Amanda Conner) last month, but if you missed them, don't fret! We've got them once again displayed in this issue, ready for you to check out, starting on page 25.

That's all for this month, see you in March!

Your Pal @ ***PREVIEWS***,

Marty

USER's guide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toys and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS BOOKS MAGAZINES TRADING CARDS APPAREL MERCHANDISE GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS
FEB 2015
CONVERGENCE
ROCKS THE DC UNIVERSE!

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic shop by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

Not sure where to find a local comic shop?
Visit the comic shop locator service website at www.comicshoplocator.com, or call 1-888-COMIC BOOK for a listing of comic shops near you!

JERRY GAYLORD

LOKI
RUSH ZONE
FANBOYS vs ZOMBIES

Jerry Gaylord, please tell us about yourself!
I'm a full-time illustrator/designer originally from the nation's capital, Washington, D.C. I was first drawn to comic characters by the *Super Friends* cartoon from the '70s. I've been a huge Superman fan ever since then, and through Superman I found comics in a broader sense. I love that in comics anything can happen. The marriage between the written word and the pictures on the page is just captivating. I've been working as an artist since I was 18 and I've been lucky enough to work with some of my favorite creative heroes like Sean Galloway, Humberto Ramos, and Khary Randolph. I also work very closely with my wife and fellow artist, Penelope Gaylord, and my best friend and studio mate, Bryan Turner.

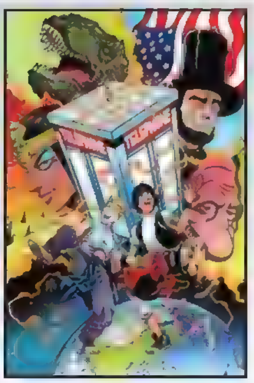
What are your favorite projects you've contributed to over the past decade?
My top three favorite indie projects are *Fanboys vs. Zombies* (OCT120896), *Loki: Ragnarok & Roll* (DEC130966), and *NFL Rush Zone* (NOV120806).

FVZ was the very first big project I ever worked on. It was amazing because right out of the gate, BOOM! gave me the opportunity to design one of the lead characters, and over the life of the series I got to design so much more. I fell in love with the book and I got to grow so much as an artist. Plus, working with writers Sam Humphries and Shane Houghton was the best. Those guys are super talented and amazing to work with.

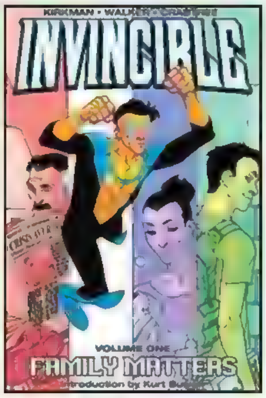
Loki: Ragnarok & Roll was the next project I worked on with BOOM! and the first time a project was conceived with me in mind as the artist. Having the chance to draw and reinterpret a huge list of mythological characters and huge battle sequences was the stuff of dreams. Eric Esquivel is a good friend of mine and a hell of a writer. We are looking for another chance to team up and make a fun book again.

I'm a huge fan of the NFL so when I got the chance to work on Action Lab's *NFL Rush Zone* I was pretty excited. I teamed up with my studio mate Bryan Turner on that one. It was pretty surreal. The guys at Action Lab are great friends of mine so it was fantastic to get to work with them on a professional level!

What are you currently working on?
I'm currently hard at work on *Bill and Ted's Most Triumphant Return* (JAN151113) with Brian Lynch. Brian has come up with an awesome script that feels like a natural extension of the films and I'm having a great time with all the nostalgia and really pushing myself to make the art a standout body of work! I'm also working on some projects for a couple of independent publishers. The first is *Xtream Champion Tournament* with creator Shaun Paulet. The book is about futuristic gladiators and it's filled to the brim with action! Lastly, I've been working on a really cool book called *Claims* with creator Tim Schultz. The story is about claims agent who insures superhero damage — very fun stuff.



What fun titles are you reading?
My favorite comic that I just can't put down is *Invincible* (OCT068077). I love the work that Ryan Ottley puts in month in and month out. I really think he is one of the greatest artists working today. Beyond that I just keep an open mind and try whatever books on the racks grab my attention. I'm always looking to find new artists who I've never seen before!



IT'S A GREAT DAY!

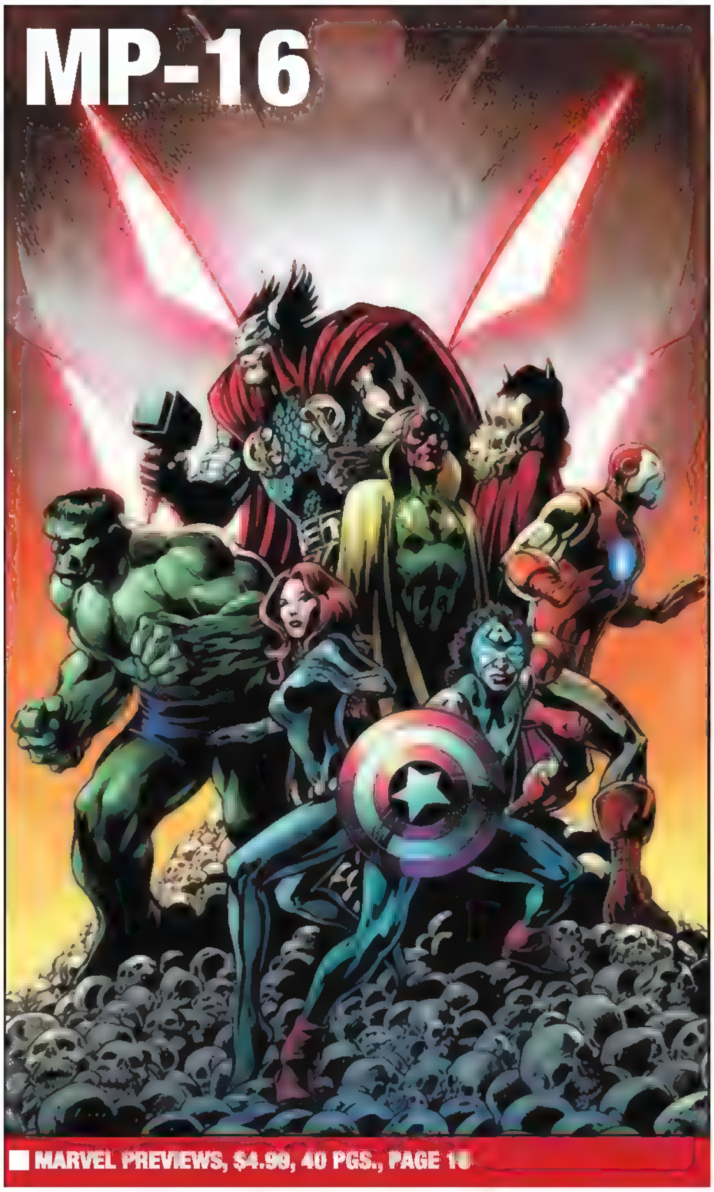
ULTRON DOMINATES THE FUTURE IN *AVENGERS: ULTRON FOREVER*



■ **MARVEL PREVIEWS, $4.99, 40 PGS., PAGE 16**

Humanity engineered its own extinction with the creation of Ultron. The creation of Hank Pym, Ultron was a machine intelligence that believed it was better than humanity and quickly sought to overrun the Earth, leading to a succession of battles a gainst the Avengers. With each battle Ultron learned more, each battle made the intelligence more dangerous, and five centuries in the future, Ultron has triumphed. Humanity is enslaved to Ultron and on the brink of extinction, and seven Avengers are summoned through time for one final battle against Ultron in Marvel Comics' *Avengers: Ultron Forever!*

As seen in the pages of Avengers, Earth's future is dire at Ultron's hands. He has conquered Earth and set himself up as Asgard's All-Father. To battle Ultron, seven heroes are brought out of the past. Drawn from the past are the Hulk, Thor, and Jim Rhodes as Iron Man. From the present come Black Widow and the Vision. From the future the new Thor and Danielle Cage, the new Captain America, are drawn. These seven heroes have been brought together by none other than Doctor Doom for a single purpose -- to defeat Ultron -- with the fate of humanity hanging in the balance.

Al Ewing (*Loki: Agent of Asgard*) writes this time-spanning epic, bringing together the Avengers for their most desperate battle. He is joined by legendary artist Alan Davis, who powerfully illustrates the ruin of the future and the seven time-tossed heroes who represent humanity's last hope.

With the excitement building for Ultron's big screen debut in this summer's *Avengers: Age of Ultron* blockbuster, Marvel Comics brings comics audiences a blockbuster of their own as the Avengers face their ultimate battle against the ultimate intelligence in Al Ewing and Alan Davis' *Avengers: Ultron Forever!* The epic confrontation begins this April, so don't miss out!

SEVEN AVENGERS ARE DRAWN THROUGH TIME FOR A FINAL BATTLE AGAINST ULTRON FIVE CENTURIES IN THE FUTURE!

MEET THE VILLAINS OF MY LITTLE PONY IN IDW'S MINI-SERIES EVENT

Heroes are only as good as the villains they face, and the Mane Six of *My Little Pony; Friendship Is Magic* have faced some truly great villains in the hit animated series! This April, IDW Publishing takes a look at the villains of the series in their *My Little Pony* mini-series, the weekly *My Little Pony: Fiendship is Magic!*

Each issue reveals the origins of a villain in the *MLP*-verse. Jeremy Whitley and Brenda Hickey reveal the secret of Sombra's curse in the first issue. Tirek's quest for a power star is chronicled by Christina Rice and Tony Fleecs in issue #2. Ted Anderson and Agnes Garbowska shine a spotlight on the Sirens from Rainbow Rocks in issue #3. In issue #4, we learn what happened to Nightmare Moon on the moon in a story by Heather Nuhfer and Tony Fleecs. And finally, Queen Chrysalis' secrets are finally revealed by Katie Cook and Andy Price in the final issue!

Each *My Little Pony: Fiendship is Magic* issue can be read alone, but *My Little Pony* fans will want to pick up all five and discover the untold stories of Equestria's greatest villains!

AMERICA'S FAVORITE TEENAGER FINDS HIMSELF HUNTED IN ARCHIE VS. PREDATOR

When Archie Andrews and his friends schedule a spring break trip to Costa Rica, all they imagine is sunny days, warm nights, inviting beaches, and the deep blue water of the Gulf of Mexico. But this trip out of Riverdale, USA may be their last when a trophy hunting alien has the teens in his sights in Dark Horse Comics' *Archie Vs. Predator!*

Who among Archie's gang will survive the encounter, and whose skulls and spines will become trophies among the Predator's collection? And how can Archie and his friends hope to survive against an alien with weapons almost beyond human comprehension when the most dangerous threat they've ever faced is detention by Mr. Weatherbee or the machinations of Mr. Lodge? Alex de Campi and long-time Archie Comics artist Fernando Ruiz are on hand to chronicle this unexpected meeting between Archie Andrews and the alien Predator!

A GOD WALKS AMONG HUMANITY IN TODD MCFARLANE'S *SAVIOR*

What if a man appeared with the power to heal the sick, walk on water, raise the dead, and feed billions? How would people react? Would they see him as humanity's savior or its greatest threat? Would his appearance validate their beliefs? Would he challenge their beliefs? Would they reject him? Or would they embrace him?

Todd McFarlane asks these questions in his surprising new series, Savior. An amnesiac man with immense, god-like powers emerges into the modern day world, and the world will not be unchanged by his presence. Who is he? What does he want? And what does his emergence mean for the world? McFarlane, co-writer Brian Holguin (*The Dark Crystal*), and Clayton Crain (*X-Force*) will answer these questions in *Savior*, a powerful new series from Image Comics.

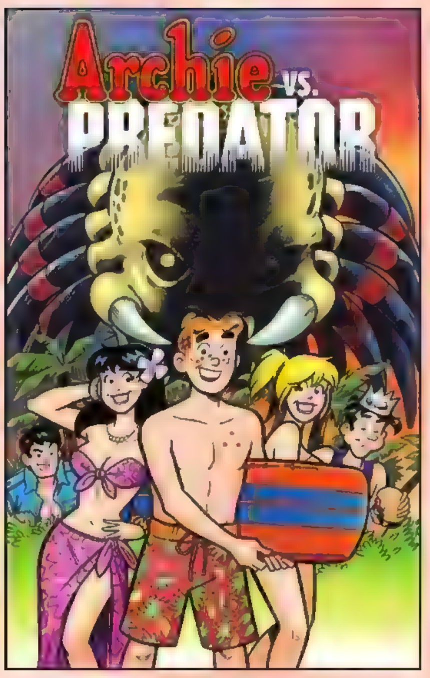
REBELS #1

DARK HORSE COMICS

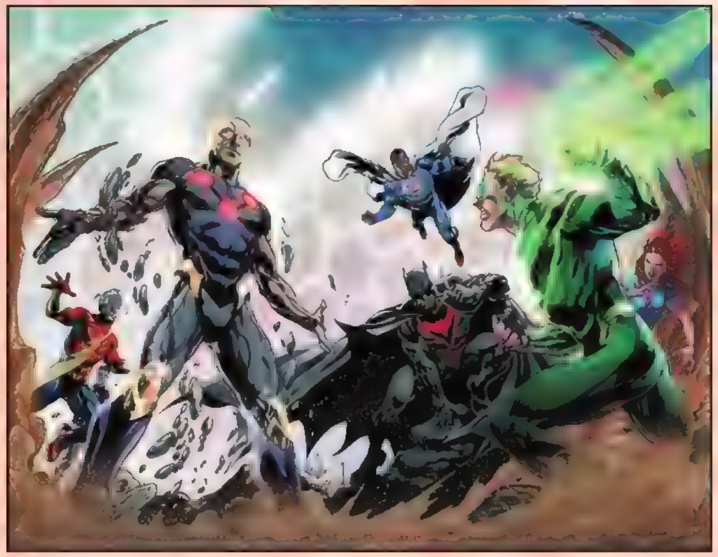
Writer Brian Wood, with artist Andrea Mutti, tells the story of America's first freedom fighters, the *Rebels*, defending life and liberty from the oppressive and excessive British government circa 1775.



ARCHIE VS. PREDATOR #1

DARK HORSE COMICS

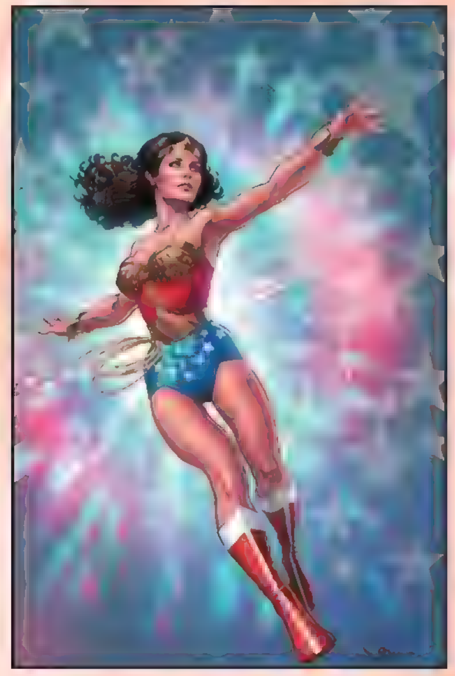
America's favorite teen meets the galaxy's fiercest hunter in this miniseries from Dark Horse Comics and Archie Comics! Archie and the gang are in Costa Rica for Spring Break... will it be their last?



CONVERGENCE #1

DC COMICS

This is it! The entire DC Universe — from the dawn of time through The New 52 — must fight to survive against a threat that bends the multiverse to it will! Writers Jeff King and Scott Lobdell are joined by artists Carlos Pagulayan and Jason Paz for this epic miniseries!



WONDER WOMAN '77 SPECIAL #1

On sale Apr 8	FC, 32 pages
$3.99	Ongoing

In a rush of great public resistance to an oppressive and excessive government, a homegrown militia movement is formed in rural America. This is not 2015, but 1775. With the war for independence playing out across the colonies, young Seth and Mercy Abbott find their new marriage tested at every turn, as the demands of the frontlines and the home front collide.

- Live free or die!
- The story of America's first militia and the push for independence!

GAME OF THRONES

GAME OF THRONES DAENERYS AND DROGON LIMITED EDITION STATUE

On sale July 15

Statue measures 14" across and 18" from front to back

$399.99

Daenerys Targaryen, the last noble of her house, is on a path to reclaim her destiny in HBO's adaptation of *Game of Thrones*. She has emerged as one of the series' best-loved characters.

Dark Horse Deluxe has turned its skills to Daenerys, selecting an iconic moment of her resting with her dragon Drogon to create as an elaborately detailed prepainted, limited-edition statue.

"Our previous large-scale *Game of Thrones* statues sold out shortly after release," Dark Horse Product Development head David Scroggy observed. "We saw pieces like our fourteen-inch Iron Throne replica and the Jon Snow and Ghost statue selling out quickly, becoming hard to find at any price. We expect the same to happen with Daenerys and Drogon."

The limited-edition quantity is still to be determined as of press time.

This is it! The entire DC Universe, from the dawn of time through The New 52, must fight to survive against a threat that bends the Multiverse to its will. Your favorite characters from every era and every forgotten series are all here! But are you going to say hello again just to say goodbye forever? The stakes have never been higher as the heroes of Crisis, Zero Hour, Elseworlds, and more are brought together for Convergence!

In the first issue of this weekly series, Brainiac has collected cities of doomed and forgotten worlds, who must battle each other – and the losers will be destroyed! But why is he forcing this conflict? Join the refugees from Earth-2 as they unlock the truth behind this world that exists outside time and space and is very much alive! Is Brainiac really in control – or is this planet named Telos an unparalleled force of evil?

This extra-sized issue is packed with twists and turns and appearances you NEVER thought you'd see – including the heroes from the hit series INJUSTICE!

As Telos, the Planet Incarnate, easily defeats the survivors of Earth 2, Thomas Wayne and Dick Grayson set off to find help in the pre-Flashpoint Gotham City. The emotional implication of these worlds colliding comes crashing down when Thomas Wayne confronts this world's Batman, as father meets son!

Plus, Alan Scott's attempts to connect with The Green yield unexpected results, setting our team on a quest to escape the planet. And the cyborgs of Futures End engage in a battle to the death against the reimagined heroes of the Just Imagine Universe, while the city of Superman Red and Blue takes on the opposing forces from Generations!

In this final graphic novel adaptation of Stieg Larsson's international bestseller, Lisbeth Salander lies in critical condition, a bullet wound to her head, in the intensive care unit of a Swedish hospital. She's fighting for her life in more ways than one: If and when she recovers, she'll be taken back to Stockholm to stand trial for three murders. With the help of journalist Mikael Blomkvist, she will not only have to prove her innocence, but also identify and denounce those in authority who have allowed the vulnerable, like herself, to suffer abuse and violence. And, on her own, she will plot revenge – against the man who tried to kill her, and the corrupt government institutions that nearly destroyed her life.

In this graphic novel adaptation of the second of Stieg Larsson's international blockbuster thrillers, Mikael Blomkvist, publisher of the magazine *Millennium*, is preparing to run a story that will expose an extensive sex trafficking operation. But on the eve of its publication, the two reporters behind the article are murdered, and the fingerprints found on the murder weapon belong to his friend, the troubled hacker Lisbeth Salander. While Blomkvist tries to clear Salander's name, Salander herself is drawn into a deadly game of cat and mouse that forces her to face her dark past.

The eight-issue miniseries is collected in one volume! Vertigo brings you a mystery with four detectives, four time periods, and four dead bodies – all set in London. Edmond Hillinghead is an 1890s overachiever who's trying to solve a murder no one cares about while hiding his own secret. Karl Whiteman is our dashing 1940s adventurer with a shocking past. Shahara Hasan is 2014's kickass female Detective Sergeant, who walks the line between religion and power. And Maplewood, an amnesiac from post-apocalyptic 2050, brings a haunting perspective to it all.

Cover by Eisner Award-Winning Artist Andrew Robinson!

Writer John Raffo (DRAGON: THE BRUCE LEE STORY) unfurls the tale of a reluctant Samurai battling both a powerful Warlord and his army of lethal robots, creatures, and hybrids in this sprawling sci-fi epic.

On a distant planet, a battle-weary warrior – Daniel Cray – is enlisted to assist a city under siege in exchange for safe passage back to Earth. But, while Cray agrees to train the citizenry in the way of the blade, he will not fight alongside them. Soon, six inexperienced Students are all that stand between civilization, and complete annihilation.

The most celebrated superheroes in mid-century America seem to have it all—fame, riches, adoration—but tensions simmer beneath the glossy surface, threatening to crack open the secrets behind their public AND private exploits. Before the family dynasty in **JUPITER'S LEGACY** began, there was **JUPITER'S CIRCLE**—a story about a team whose personal dramas collide with super-powered spectacle!

What if the MOST DANGEROUS man on Earth was also the one trying to do the MOST GOOD?

The world is real. The people are normal. And then he appears!

A man appears with no background, no memory, and no place to call home. But he has powers. Powers that seem resemble those we learned about in Sunday School. Could it be?! Is it possible that this man is much, much more than that? Is it possible that he is our "SAVIOR" in the flesh? And if he is, then why doesn't he know who he is or how he got his powers?

Strip away the spandex and trappings of the traditional comic superhero and ask yourself a simple question: "How would I react if GOD suddenly appeared in front of me, but everything we had been taught about him seems out of whack?" What you would have left, beyond your own doubts, is the presence of a man who has to deal with the fact that his appearance in the world is seen as both a blessing and a curse.

Some will see him as a hero, a messiah. Other will see him as an enemy because there isn't room for a person with god-like powers to disrupt the status quo of what we already believe. Some will rally behind him. Others will denounce him. But none of us will be able to ignore him.

BLACK HISTORY MONTH BACKLIST

February is National Black History Month, and here at ***PREVIEWS*** we're showcasing comics and graphic novels that feature black main characters, are created by African-American creators, or somehow describe the black experience in America. From historic true stories of the Civil Rights movement to pure, unadulterated heroic fiction, these are stories meant for everyone.

In honor of all that the African-American community does for the comics industry, we have put together a list of items to be found in this issue of ***PREVIEWS*** – available now at your local comic shop!

CEREBUS ARCHIVE VOLUME TWO

(W/A/CA) Dave Sim

Second in a continuing series of *Cerebus Archive Artist's Editions*, this folio features razor-sharp, crystal clear reproductions of the ten earliest *High Society* pages in the *Cerebus Archive*. "Sean Robinson and Mara Sedlins are flat-out geniuses," says *Cerebus* creator, Dave Sim. "Just when I think they can't get a page any clearer than it already is, in comes the next generation of proof to prove me wrong." Sim's painstaking, inch-by-inch commentaries which proved so unexpectedly popular on *Cerebus Archive Number One* have been expanded from 2 pages to 6 this time out — and on the same glossy cardstock as the individual plates instead of the paper stock on the *Cerebus Archive Number One.* (STK668100) (C: 0-1-0)

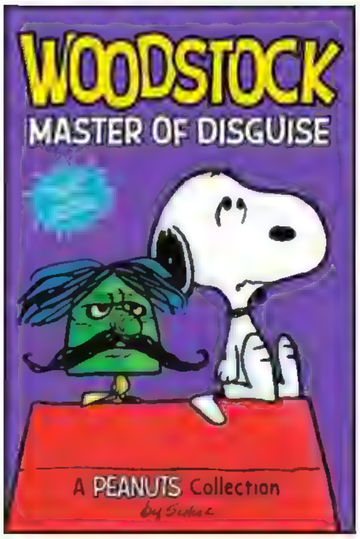
AMP! COMICS FOR KIDS



WOODSTOCK: MASTER OF DISGUISE TP
(W/A/CA) Charles M. Schulz
Woodstock might be the smallest of the *Peanuts* gang, but he's got a lot to say, even if Snoopy is the only one who understands him. That's because Snoopy is Woodstock's "Friend of Friends," and together they write masterpieces, fly airplanes, find the perfect place to nap, and win over the hearts of readers all over the world. Whether he's falling in love with a snowflake or crash-landing on the tip of Snoopy's nose, Woodstock is the little yellow bird with a big personality. It takes more than a strong wind to ruffle Woodstock's feathers, although it's a good thing he has Snoopy to keep his little yellow feet on the ground. Don't miss out on the newest AMP! *Peanuts* collection! (STK666359) (C: 0-1-0)

NATHAN HALE'S HAZARDOUS TALES VOLUME 5: THE UNDERGROUND ABDUCTOR HC

(W/A/CA) Nathan Hale

Araminta Ross was born a slave in Delaware in the early 19th-century. Slavery meant that her family could be ripped apart at any time, and that she could be put to work in dangerous places and for abusive people. But north of the Mason-Dixon line, slavery was illegal. If she could run away and make it north without being caught or killed, she'd be free. Facing enormous danger, Araminta made it, and once free, she changed her name to Harriet Tubman. Tubman spent the rest of her life helping slaves run away like she did, every time taking her life in her hands. Nathan Hale tells her incredible true-life story with humor and sensitivity. RICK AND MORTY #1

Oni Press

Remember that movie *Back to the Future*? Well now imagine following the adventures of Doc Brown and Marty McFly in a less wholesome light; Doc as a drunk, foul-mouthed, mad genius grandfather and Marty as his soft-spoken, easily impressionable, curious 14-year old grandson. This unlikely pair is not just going on zany scientific adventures to right the wrongs their of time traveling. No their going to go on dangerous and reckless mis-adventures throughout the universe, in alternate dimensions, and though alien customs with really no point other than just because they can...

This is the rough idea behind one of Adult Swim's newest animated shows *Rick and Morty*, and if you aren't familiar with this show I would seriously suggest checking it out. I'm going to go further, too, and say that I would also strongly suggest checking out Oni Press' newest comic series based on the show coming out this April!

What sets this apart from a lot of the comics that I have recently read is that it is truly hilarious! No, seriously, it's a laugh out loud kind of dark comedy that does real justice to the original vision that Dan Harmon and Justin Roiland had for the show. Zac Gorman's (*Costume Quest*) writing is witty, clever, and a testament to solid storytelling that just flows from scene to scene, wit to wit unforced and flawlessly. Not to mention CJ Cannon's art captures the fast-paced energy that matches the pace of the narrative perfectly and in a way that any fans of the show are going to be looking for.

I could go on for days about this series. Needless to say, I think that it is one of the cleverest comedies that have come out in a good long while. Instead of ranting, though, and you possibly waiting on the sidelines for other fans to tell you how good it is, just go pick up the first issue yourself. Wubba-lubba-dub-dub!

SOMETHING DARK IS COMING...
Throughout history, oddities have remained hidden away within the fabric of societies across the planet. However, in recent years these unexplained phenomena have begun to emerge with a vengeance...Enter Gia Sorentino.

They thought she was crazy, and locked her away from the rest of the world. Yet, following a family tragedy, she has inherited an empire—-and with it, the keys to unlocking some of the most unimaginable secrets of mankind. Together, with three other women who possess abilities of inhuman nature, Sorentino embarks on a journey to discover the full potential of their collective powers. But, along with the amazing comes the sinister, and some things that should have remained hidden--including those that can threaten not only their existence, but the rest of the world as well! Aspen welcomes back acclaimed writer Scott Lobdell to introduce to you this years most exciting new series, THE FOUR POINTS!

AXIOM presents *Supertemporal*

A new graphic novel from **Howard M. Shum**, the creator of **Gun Fu, Gazillion, Intrigue,** and **Hyperkinetic** from Image and amazing Italian artist **Simone Arena.**

Three scientists, **Roderick, Dirk,** and **Ringo,** from **JPL** build a time machine and go a hundred years in the future. They discover that there are no longer any humans around although there is wildlife. They realize that something happened on a specific day in 2053. They go to that day to find out exactly what and to see if they can prevent it from happening.

> "***Supertemporal*** takes a dash of **Independence Day,** adds in a bit of **Big Bang Theory** and creates an action-packed summer blockbuster of a comic that has just as much heart as it does Giant Alien Robot Enforcers. This is comics done right."

GYO DELUXE EDITION HC (MR)

Viz Media LLC

Plague-carrying WWII robotic zombie sharks are here to eat your girlfriend.

Ridiculous sounding, yes, but horror manga from Junji Ito roils with terrible itchy-scritchy details. Crusty barnacles and rusted metal, crackling timber and splintering teeth, bubbling pus and twisting bones; Ito's work is visceral, destructive, immediate, and immersive. This manga creator crafted the masterwork *UZUMAKI*, a story of a town destroyed by spirals (the beautiful hard cover is still available using AUG131498) and he is no stranger to the twin terrors of psychological and body horror. The matching Deluxe Edition of *GYO* will follow the same high-end formatting as the *UZUMAKI* hardcover with all volumes of a series collected in a single oversize hardcover.

Ito aggressively twists his way down the corkscrew of human fears. The pages of *GYO* practically spasm as he strikes all the nerves. Shudder as silver-fast, clockwork-sounding spider-things scuttle and swarm, rattling and biting faster than you can see. Swallow hard as bits of attackers decay and bubble, popping wet, rotted pockets of stomach-turning stench. Wince as the pressure of inserted tubes, wires, and metallic armature bulge and rupture skin and eyes. Flinch when giant, unthinking predators lunge, rip, and rend flesh. Despair as the creatures emerge from the sea in implacable waves, born from a festering hive beyond reach or control. Read in terror and then get a good night's rest. If you can.

Crossed C-Day 2015 is here! And to celebrate the event, superstar writer **Kieron Gillen** (*Uber, Wicked & Divine*) is launching a new story arc that will take the horrors of the Crossed back to the ancient past! 75,000 years ago was the closest humanity has ever came to being purged from the Earth. There were as few as 2000 humans remaining. This is historical fact. Why it came to this is generally blamed on super-volcano Toba causing a minor ice-age. But that's not the full story. That is not the history of the Homo Tortor, i.e. Man The Torturer. This empire before the beginning of time, that sends raiding parties gathering other Homo species and enormous mega-fauna, invented cruelty, refined domination, perfected killing. And they think their power will last forever. Join the hunt for historical answers with this issue that kicks off C-Day events worldwide as fans celebrate the

Cover: Gabriel Andrade • **Writer:** David Lapham • **Art:** Francisco Manna

MR, Color, 224 pages: Garth Ennis' world of Crossed has become the pinnacle of survival horror in fiction. David Lapham (*Stray Bullets*) returns to Crossed with a crime story told both before and after the Crossed outbreak! A father is pushed to the brink when his family is brutally tortured and killed. With only revenge to keep him going, he becomes a monster himself with only one purpose, to find the man that did this and make him suffer more than anyone has before. But then C-Day happened and the world changed. Now a mystery to solve becomes one man's singular obsession to cross a sea of maniacs and destroy a monster no matter the cost. There is no help and there is no hope. There is only the Crossed. This volume collects issues #62-70 of the ongoing *Crossed: Badlands* series.

ABOUT: New York Times bestselling Author, Max Brooks returns to the frightening world of zombies versus vampires in his groundbreaking follow up series: *Extinction Parade: War*! Well known for his breathtakingly original fiction, Brooks pushes the limits of the horror genre with his trademark meticulous research and vision for the next evolution in zombie storytelling. The subdead were always a joke to the aristocratic vampire race. Just a spec on the radar of their immortal lives, nothing worth even a moment's notice in their quest for self-gratification through the veins of their host, the human race. But at last they have been pulled from their ignorance into the reality of the new world order. The human race is facing extinction and should they succumb, so too shall the vampires disappear beneath the waves of rotting walking dead. Now the vampire race has mobilized and formed a grand Army of the Bloodline to combat the growing threat of extinction. But after centuries of ambivalence will they be able to learn how to wage war before it is too late? This volume collects the Extinction Parade: War #1 – 5 comic book series.

MR, FC, 32pp

About: Deception is the currency of the day as the gods plot and plan behind each other's backs with their petty strategies for ruling the devastated Earth. But among the struggling human survivors on the ruined planet, one hunter finally finds the most important girl in the world. Will history repeat itself with the rise of Gaia or is it too late for even Mother Earth to recover from the strain of hundreds of years of misery? Available with a Regular, End of Days, and Gilded Retailer Incentive Covers by Jacen Burrows, Iconic and Enchanting Covers by Raulo Caceres, and a Carnage Wraparound Cover by German Nobile.

Writer: Garth Ennis · **Cover & Art:** Tomas Aira
MR, FC, 32pp, monthly

SPOTLIGHT **New Story Arc! "The Last German Winter"** "When I was a little girl, my mother told me tales of knights in shining armour, who would save damsels like me from dragons and other monsters..." February 1945: as the Soviet war machine crashes into eastern Germany on a tidal wave of carnage and revenge, a mother and her children join the flood of refugees struggling to stay ahead of the invaders. But the realities of battle are dreadful to behold, and what the little family find waiting for them is deadlier than any mythical dragon. Worse still, the strange figures who appear from the deep woods are far from being knights in shining armour- and in these dark times, the price of salvation may just be too much to bear. A dark tale of conflict and its consequences, by Garth Ennis and Tomas Aira: part one of The Last German Winter. Available with Regular & Wraparound Covers by Tomas Aria, and Good Girl Nose Art & Battle Damage Retailer Incentive Covers by Matt Martin.

DARK GODS #6

Reg Retail Price: $3.99
Cover: Michael DiPascale
Writer: Justin Jordan
Art: German Erramouspe
MR, Color, 32 pages, #6 of 6

The final issue of Justin Jordan's Dark Gods is here! The agents of The Storm must face the rising tide of ancient monsters from the void of Chaos. Their mission has been to stop the flood of horrors, but what happens if they fail? The world as we know it must evolve as everyday people that lived in ignorance of the monsters just outside their vision are brought face-to-face with the grinning devils of other dimensions. The Dark Gods have arrived. German Erramouspe illustrates this new series with special painted sequences by Michael DiPascale. Available with Regular, Wraparound, and Fully-Painted Deity Covers by Michael DiPascale, Sultry Siren Cover from Christian Zanier, and a special Nightmare Retailer Order Incentive Cover also by Zanier.

BLEEDING COOL MAGAZINE Issue #16

Retail Price: $5.99 US

MR, Full Color, 104 pages

ABOUT: The call to adventure is a major feature of storytelling, deeply embedded in the history of popular fiction and comics alike, inspiring both the minds of young readers and lifelong fans. Whether it's encountering brave new worlds or rising to the challenge, taking a hero's path changes characters in a way that provokes a sense of wonder. In this issue of *Bleeding Cool Magazine*, Rich Johnston will explore the milestones in this major tradition, as well as the ways in which creators are changing up our expectations. We'll also feature interviews with creators about their sense of adventure and track similar developments in film and video games. As always, you'll get sage advice on comics-collecting, whether in vintage books or current titles through our Price Guide. Delivering over 100 pages per issue on a bi-monthly release schedule, each issue of *Bleeding Cool Magazine* is packed with fresh takes on upcoming titles, and insights from comics creators only to be found in our print edition.

BLEEDING COOL MAGAZINE #16 ORDER INCENTIVE: Retailers who order five or more copies of *BCM* #16 will be promoted as a Bleeding Cool Store in the magazine and on *bleedingcool.com*.

12 REASONS TO DIE VOLUME 1 TP

(W) Ghostface Killah & Various
(A) Various (CA) Paolo Rivera
This horror-crime hybrid from the legendary Wu-Tang Clan's Ghostface Killah and RZA is the brutal story of a vengeful soul hunting the 12 most powerful crime lords in the world. A reclusive, retired mob boss has hired a young record collector named Dan Migdal to track down 12 rare records — and ask no questions. As Migdal locates the albums, he discovers each has its own unique and tragic story. First Migdal hears only whispers about the Ghostface Killah, but soon he pieces together the story of a young black mafioso named Anthony Starks who disappeared and a murderous ghost began hunting down the old crime family. Migdal realizes he's working for the last surviving DeLuca and has inadvertantly placed himself in the way of ultimate vengeance! (STK664767)

PUSH **COMICS** FORWARD

It's Keith Giffen's fault. I keep telling people that he talked me into it in a dive bar on L.A.'s west side. But the truth is that I started this company out of the spare bedroom in my apartment because I couldn't believe the guy that created Rocket Raccoon thought I could do it. Maybe we could bring something to comics that hadn't been there before?

I've loved comics since 1976. I never thought I'd publish them. Sure, I'd worked with giants of the field, including Barry Windsor-Smith, Howard Chaykin, Jim Starlin, Walter Simonson, and others too numerous to mention, when I was a young marketing turk at Malibu Comics 20 years ago. But me, publish comic books? You're crazy.

So it's 10 years later now. Comics publishers don't often make it that far, do they? We should do a victory lap right now.

But who wants to look backward when there's so much more cool stuff around the bend?

Let's talk about the future.

Have you ever had a friend that shared a lot of your interests, but they didn't read comics? You gave them *Watchmen*, you gave them *Y: The Last Man*, you gave them *X-Men*. But nothing stuck. They liked the idea of comics, but there wasn't a comic book that felt like it was made for them...

Let's go make that comic book for them. Together. As fans, as creators, as retailers, as the press, as publishers. All of us. Let's talk about how we can all PUSH COMICS FORWARD. Because comic books should be for everyone.

We know where we've been—our favorite eras, our favorite characters, our favorite runs. We already know all of that. I've got a garage full of Silver, Bronze, Copper, and Modern Age comics and I love them.

But the medium of comics has never been more on the forefront of driving pop culture and as fans of this art form, we have a rare opportunity to take that interest to the next level and embrace an entire generation of potential fans who don't read comics right now.

We can make a new Golden Age.

At BOOM!, we've carefully selected new projects in 2015 that we believe will help PUSH COMICS FORWARD. These projects will take on risky subject matter, introduce new characters from diverse backgrounds, and debut a swath of new creative voices to the industry.

Just in the first few months of 2015, we've launched a gaming-inspired humor comic in *Munchkin*, two projects that tackle the complex climate in the Middle East with *Burning Fields* and *The Realist*, five series with unique female leads (*Curb Stomp*, *HaloGen*, *Cluster*, *Help Us! Great Warrior*, and *Giant Days*), a period crime project (*Hit: 1957*), and an original graphic novel about the cutest crabs to ever start a revolution (*The March of the Crabs*). And we've only just begun. But this movement isn't just about BOOM!, it's about all of us. We'll be devoting a ton of our time and energy in 2015 to work with the press, conventions, and social media channels to keep the conversation going.

If you know me, you know I'm the "Challenge Accepted!" guy. If there's a problem that hasn't been solved or a project that seems insurmountable, I'm the first one to jump in. This is a big challenge, but I want you to join me in taking it on.

No one thought comics targeted at All Ages was viable until KaBOOM!. Now it's the norm. No one thought an all-female cast of characters with an all-female creative team had a shot in the Direct Market—until *Lumberjanes*. And who would have guessed that an oversized limited series like *Memetic*, starring a hearing-impaired, gay college student and a blind, African-American general about a meme-induced apocalypse, would garner rave reviews? We did.

If you believe comics are great just the way they are, this isn't for you. If you think superheroes are the only kinds of stories worth telling in comics, this isn't for you. But if you want to see everyone reading comics—your aunt, your co-workers, your niece, your boyfriend, that kid down the street—let's PUSH COMICS FORWARD in 2015.

Together.

WHAT'S TO LOVE

James Tynion IV has already blown us away with his original series ***The Woods*** and ***Memetic***, and now he's teaming up with Thrillbent co-writer Noah J. Yuenkel *(The House in the Wall)* and artist Matt Fox *(Long Walk to Valhalla)* to bring us a story about aliens in the Midwest. It's reminiscent of films like *E.T.* and *Super 8*, and TV shows like *Twin Peaks* and *The X-Files*.

WHAT IT IS

Becky Finch never wanted to be special. She just wanted to be a normal high school student in the small Midwestern town of Mukawgee. Malcolm Chamber wanted something more. A destiny. An answer from the stars. When Becky is marked by an alien's touch, she'll stumble into a mystery she never wanted. A mystery that almost ripped apart both their parent's lives 12 years ago. She'll need the help of her eccentric young classmate, Malcolm, as she finds the power within herself to uncover the truth.

WHAT'S TO LOVE

Discover the tortured psyche of a hero in this story from Claudio Sanchez and Chondra Echert, the writers who gave us ***The Amory Wars*** saga, ***Key of Z***, and ***Kill Audio***. Plus, you will never forget the psychedelic superhero mindscape as visualized by acclaimed newcomers Daniel Bayliss and Adam Metcalfe!

WHAT IT IS

We call The Navigator a hero. We call The Horse a villain. The two have been locked in a battle for years, fighting for the soul of New York City. But are they just two sides of the same playing card? ***Translucid*** is a startling deconstruction of the classic bond between a hero and his villain, and shows what it takes to push a person to take up either mantle. Collects the entire miniseries, issues #1-6.

SLEEPY HOLLOW: ORIGINS #1

Written by **Mike Johnson**
Illustrated by **Matías Bergara**
Cover by **Joe Quinones**
$4.99 • 32 Pages • Full Color

WHAT'S TO LOVE

We're huge Sleepyheads here at BOOM!, so we jumped at the chance to explore the never-before-seen history of some of our favorite characters from the hit Fox TV show. We worked hand-in-hand with ***Sleepy Hollow*** show writers, writer Mike Johnson *(Star Trek)*, and ***Sons of Anarchy*** artist Matias Bergara to bring the true origins of Abbie, Ichabod, Jenny, Henry, and the Hessian.

WHAT IT IS

You've watched Ichabod and Abbie battle the forces of Moloch and the Hessians, now see how they first got started with five short stories revealing the official origins of your favorite ***Sleepy Hollow*** characters. Travel back to the first days of Abbie on the job, Jenny in an institution, and Ichabod turning his back on Queen and Country for justice. Find out how Henry was born the horseman of the apocalypse War, and relive the Hessian's life as Abraham.

Cover by **George Pérez**
$14.99 • 48 Pages • 11" x 17" • Black & White

WHAT'S TO LOVE

With the previous editions of ***Pen & Ink*** featuring the art of industry veteran Brian Stelfreeze *(Day Men)* and newcomer Vanesa R. Del Rey *(Hit)*, we wanted to go back to a comics legend, and naturally that had to be George Perez! His detailed pencils and inks on ***George Pérez's Sirens***—his first original title in over 10 years—are on full display and are a testament to the lasting popularity of his skills.

WHAT IT IS

Perfect for fans who want to look "behind the scenes" of making comics, the ***Pen & Ink*** series features artwork from highly skilled illustrators stripped down to their inks in the original artboard dimensions of 11" x 17"—or, in this case, and for the first time in a ***Pen & Ink*** book, stripped down to the pencils alongside inked and lettered pages. Get a detailed look at the making of George Perez's ***Sirens #1*** from one of the industry's greatest masters.

It's been several months since the events of *The Yellow M*, but the evil of Professor Septimus still echoes around London. Important figures of the capital's jet set come together around the questionable values the mad scientist defended. Olrik is forced to resort to opium in order to forget he was guinea pig. As for Mortimer, he too is trying, albeit for more humanist reasons, to revive certain aspects of Septimus's work to Blake's extreme concern. (STK667395) (C: 0-1-0)

KENYA VOLUME 2: ENCOUNTERS GN

(W) Rodolphe (A/CA) LEO

Kathy, Fuchs, and Merlin are now exploring the savannah, looking for the Remington expedition. With them is Tom, the young native guide — and sole apparent survivor — of the American writer's party, who recounts the terrifying events that led him to run away. When Kathy and her companions finally discover Remington's base camp, though, they find no trace of unusual animals or bodies. But they're quickly confronted to a series of increasingly weird events. IR$ VOLUME 6: THE BLACK GOLD WAR TP

(W) Stephen Desberg
(A/CA) Bernard Vrancken

Is the world barrelling towards the apocalypse? Russian commandoes are positioned around Georgia and its vital pipelines, fanatical terrorists are bent on eliminating Saudi Arabia's reigning family. With oil barons indifferent to the potential damage their stock market manipulations could cause, only one man stands against a scheme of utter cynicism: Larry B. Max. This time, the IRS agent intends to stop his sworn enemy Madsen for good — and rescue the woman he's loved for so long, Kate. (STK667396) (C: 0-1-0)

LUCKY LUKE VOLUME 51: THE PAINTER TP

(W) Bob De Groot
(A/CA) Morris

Among the cultural figures of the Old West, Frederick Remington stands head and shoulders above the rest — literally. A good-natured ogre by size and appetite, the artist portrays the West with such skill that the American government entrusts his safety to Lucky Luke. Looking after such a national treasure is not usually an easy task, but Luke will soon discover that Remington hardly needs protecting, except maybe from his own excessive impulses. SAM VOLUME 2: ROBOT HUNTERS GN

(W) Richard Marazano (A/CA) Shang
A year has passed for the community of survivors. Ian and his team are still making dangerous forays to the ravaged surface in search of food and medicine, forced to go ever further each time. But one day, just as they're about to be killed by one of the exterminator robots that constantly patrol the city, they're saved by an old acquaintance not even Ian still hoped to see again: SAM, the strange robot that seems to want to protect the boy. THE SURVIVORS EPISODE 2: QUANTUM ANOMALIES GN

(W/A/CA) LEO
The small group of marooned humans, minus a few individuals who left after a difference of opinions, survived one group of aliens, received help from a second, and is now travelling towards what appears to be a town. But their adoptive planet is a truly peculiar place with many surprises in store: a wild and unknown nature, inhabitants with unpredictable attitudes and morals — and other, even stranger phenomena well beyond their comprehension! Our two spatio-temporal agents are on a new mission, but this time the duo is split up. While Laureline flies solo from planet to planet, on the trail of arms dealers and forbidden technologies, Valerian is on 20th century Earth, teamed up with the eccentric Mr Albert. And he, too, is hunting down technologies incompatible with the era. What is the link between the two cases, separated as they are by centuries and light-years? (STK667401) (C: 0-1-0)

Nigel is the last of the Genies, and the Faeriehood's final hope. To get his powers back, he'll have to reconcile his two halves — the Human who wants nothing but a carefree life, and the genie, all fire and violence. A balance must be reached, fragile and dangerous, before he can so much as recover the memories of his past lives. But Bound and the MI-10 haven't abandoned the hunt, and have managed to place an agent inside the sanctuary. (STK667402) (C: 0-1-0)

A STORY OF GENOCIDE AND REVENGE

Based on the TRUE STORY of a man who avenged a nation.

Before Adolf Hitler, there was Talaat Pasha, leader of the Turkish Ottomon Empire. In 1915 Talaat ordered the mass executioin of every Armenian within his nation's borders, resulting in the death of over 1,500,000 victims.

This is the story of Tehlirian, the Armenian survivor who killed him on the streets of Berlin...and walked away from court a free man.

Honoring the 100th Anniversary of the Armenian Genocide.

Jungle Girl returns in Frank Cho's epic third act! When we last saw Jana the Jungle Girl, she had escaped from an underwater city and fired a torpedo into the eye of a gigantic underworldly creature of some kind. Bad Move! Her father tells her that those actions have doomed the Lost World in which they all live — and no sooner does he say that, then things begin to happen. A hole appears in the sky and flaming debris falls through. The jungle begins to burn... Jana and her friends are forced to turn a stampede of gigantic prehistoric creatures who are fleeing before the fire. Can Jana stop the stampede? Will she survive the displaced natives intent on claiming a new homeland? And what other alien materials will emerge from the hole in the sky?

Dr. Herbert West, The Reanimator, returns! Setting up shop in New Orleans, the brilliant Dr. West continues his life's work: the revival of the dead by purely chemical means. To accomplish this task, he recruits Susan Greene, a young and wide-eyed pharmacologist fascinated by his macabre experiments. Initially unfazed by West's unorthodox practices (including how he funds his research - by selling zombie brain fluid as a narcotic), Susan may regret her scientific curiosity as sinister forces - those aligned with Elder Gods and Haitian Voodoo - begin to align against the Reanimator!

Dynamite Entertainment proudly resurrects The Reanimator, H.P Lovecraft's notorious mad scientist, in a fear-fraught four-issue mini-series! Take what you love best about the television shows "Breaking Bad" and "Walking Dead", throw in Cthulhu tentacle terror and backwater Louisianan superstition, and you have the all-new horror comic hit of 2015!

Looking For Group is a hilarious ride through Fantasy and Adventure tropes, set in a reality and time unlike our own. A place where the eating of small children is not necessarily frowned upon; where beings of extraordinary power can destroy entire villages with only "because I could" as an excuse; where magic and adventure are as common place as setting fire to then reanimating a chipmunk into a skeletal minion (it happens more than you'd think); and an epic journey can begin by an accident of fate. With a brand new cover by Industry Veteran Ty Templeton (Batman '66 Meets The Green Hornet) and bonus stories from the Non-Playable Character and Tiny Dick Adventures spinoffs, see what millions have been talking about online as this long-running webcomic comes to print in monthly comic book format.

FC | 120 pages | $15.99 | Teen+ | 4/29 (C:0-1-2)

Is there anything more romantic than the sound of wedding bells and a revving chainsaw? The happy union of time-lost bad-ass Ashley J. Williams and lovely maiden Sheila is threatened by an Army-No-Longer-Limited-To-Darkness and their unstoppable leader, The Faceless Man. Will our hero overcome the Deadite hordes and get some sugar? Or will the undead armies force the bride and groom to hail The Faceless One as the king, baby? The ultimate experience in matrimonial horror is here!

This volume collects the entire four-issue series by STEVE NILES (30 Days of Night) and NACHO TENORIO. Also included are the original script to issue #1, and a complete cover gallery featuring the art Eisner-award winning artists JAE LEE (Batman/Superman) and FRANCESCO FRANCAVILLA (Afterlife of Archie) as well as LUCIO PARRILLO (Red Sonja), NICK BRADSHAW (Wolverine and the X-Men), and more!

The crew of the Galactica, and the fleet as a whole, comes to terms with Apollo's shocking fate. But there is no time for reflection. Apollo's mission woke up the Cylon threat, and the old enemy has become aware of the fleet again. The War has turned hot again, the fleet is in grave danger, and without Apollo's pilot skills and leadership, the human race may not survive. Epic, continuity-shaking storytelling from cosmic fan-favorite writer Dan Abnett and out-of-this-world artist Dietrich Smith.

After a tense run-in with the Archduke's soldiers leaves Diego wounded, Django finds that he must step into the black costume and mask to operate in Zorro's stead. He soon discovers that what he thought of as a simple bodyguard job has forced him to confront a grim and all-too familiar enemy—the specter of slavery. Meanwhile, the ever-wily Diego lays the seeds of a trap for the greedy Archduke. Quentin Taratino's first original foray into comics draws closer to its dramatic conclusion, scripted by Eisner Award winner Matt Wagner, artist Esteve pol and colorist Brennan Wagner. (W/A/CA) Seth
This installment of Seth's critically acclaimed one-man anthology features an autobiographical comic about Seth's childhood, part four of his long-running *Clyde Fans* serial, a photo essay about a barbershop he designed, and a comic strip about the art of barbering. "Nothing Lasts" revisits Seth's childhood in 1960s Ontario, with a special focus on the salvation that he found in library books and drug-store comics. The *Clyde Fans* chapter included here shows the conclusion of brothers Abe and Simon Matchcard's first lengthy conversation, and Abe's pensive, self-questioning mood as he drives back to Dominion to meet up with his old flame, Alice. TRASH MARKET GN
(W/A/CA) Tadao Tsuge
Tadao Tsuge was one of the key contributors to the legendary avant-garde Japanese comics magazine Garo during its heyday in the late 1960s and early 1970s, renowned for his unpretentious journalistic storytelling and clear, eloquent cartooning. *Trash Market* brings together six of Tsuge's compelling, character-driven stories about life in post-World War II Japan. "Trash Market" and "Gently Goes the Night" touch on key topics for Tsuge: the charming lowlifes of the Tokyo slums and the WWII veterans who found themselves unable to forget the war. *Trash Market* blurs the lines between fiction and reportage and features an essay from the collection's editor and translator Ryan Holmberg, who is a specialist in Japanese art history. SUPERMUTANT MAGIC ACADEMY GN
(W/A/CA)
Jillian Tamaki
Jillian Tamaki is best known for co-creating the award-winning young adult graphic novels *Skim* and *This One Summer,* moody and atmospheric bestsellers. *SuperMutant Magic Academy,* which Jillian has been serializing online for the past four years, paints a teen-aged world filled with just as much ennui and uncertainty, but also with a sharp dose of humor and irreverence. Jillian deftly plays superhero and high school Hollywood tropes against what adolescence is really like: the SuperMutant Magic Academy is a prep-school for mutants and witches but their paranormal abilities take a back seat to everyday teen concerns. Science experiments go awry, bake sales are upstaged, and the new kid at school is a cat who will determine the course of human destiny. Whether the magic is mundane or miraculous, Jillian's jokes are precise and devastating. This volume combines the most popular content from the webcomic with a selection of all-new, never-before-seen strips that conclude Jillian's account of life at the Academy. (STK668388) (C: 0-0-1)

In Dominion, on Milverton Street there stands a handsome old building, with a pink stone façade and the familiar Canadian cartoon characters over the doorway. It was the Great Northern Brotherhood of Canadian Cartoonists, erected in 1935 and the last standing building of the once prestigious members-only organization. For years, this building, filled with art deco lamps, simple handcrafted wood furniture, and halls and halls of black-and-white portraits of Canada's best cartoonists, was where the professionals of the Great White North's active comics community met, gathered in their dark green blazers to drink cocktails, eat, dance, and discuss all things cartooning. PALOOKAVILLE VOLUME 20 HC

(W/A/CA) Seth

Palookaville Volume 20 is the first volume of the seminal comic book series to be published in book form. The expansion into hardcover from pamphlet is a parallel that illustrates Seth's growth into an award-winning cartoonist, book designer, hobbyist, editor, essayist, and installation artist. Part comic book with the ongoing serialization of *Clyde Fans*, part sketchbook, and part documentation of Seth's fictional town of Dominion City, this visual compendium will showcase Seth's varied creative passions. PALOOKAVILLE
NUMBER TWENTY ONE

PALOOKAVILLE VOLUME 21 HC

(W/A/CA) Seth

Seth presents two very different autobiographical pieces, and the continuation of Part Four of the ongoing *Clyde Fans* serial. In the latest dispatch from the beautifully crafted Clyde Fans, Abraham muses further on the ruins of his life. Then, in the first sustained sequence of the two Matchcard brothers, Abraham and Simon finally sit down together and begin to talk. "Nothing Lasts" is the first half of a sketchbook memoir about Seth's childhood and adolescence in small-town Ontario. Finally, the third section of this volume consists of entries from the comic-strip diary Seth has been keeping for almost a decade. This lushly designed collection of stories comprises an anthology of the different types of cartooning work Seth has done over his two-decade-long career. (STK616400)

HARVEY KURTZMAN: THE MAN WHO CREATED MAD AND REVOLUTIONIZED HUMOR IN AMERICA

By Bill Schelly

$34.99 / HC / 640 pgs / Prose with illustrations / 6 x 9

Harvey Kurtzman created *MAD*, and *MAD* revolutionized humor in America. But how did Kurtzman invent *MAD*, and why did he leave it shortly after it burst onto the scene? Through interviews with colleagues, friends and family and an examination of Kurtzman's personal archives, this book tells the incredible true story of one the 20th century's greatest humorists. His family life, an FBI investigation during the McCarthy Era and his legal battles with William M. Gaines are all revealed for the first time.

CHEECH WIZARD'S BIG BOOK OF ME

Certified Cool™

by Vaughn Bodé

$29.99/ SC / 96 pgs / black-and-white and color / 8.9 x 11

Vaughn Bodé created Cheech in 1956 and remained a constant companion for the rest of Bodé's life, surfacing in underground comix, *the National Lampoon*, and into the world of graffiti and Hip Hop. Cheech Wizard is a lascivious con-man who nevertheless possesses some degree of cosmic insight. But just who is Cheech Wizard? *Cheech Wizard's Big Book of Me* brings Bodé's essential transcendent art to the masses collecting all of the *Cheech Wizard* comics in a single volume.

BLACK RIVER

by Josh Simmons

$18.99 / SC / 112 pgs / BW / 6.5 x 8.5

Josh Simmons (*The Furry Trap*, *House*) returns with a full-length graphic novel about a bedraggled group making their way through a post-apocalyptic world in search of some sort of civilization. Along the way, they encounter fools, lunatics, murderous sadists and also visit a comedy club. All manner of terrors, in other words. Simmons is one of the most distinctive voices in the horror genre and *Black River*, with its perfect pacing, is his best work yet.

FUBAR: MOTHER RUSSIA #1

Alterna Comics

FUBAR: Mother Russia is the newest incarnation of the undead military thriller from Alterna Comics by writer Jeff McComsey and artist Laura Müller. The *FUBAR* series takes a gruesome look at the carnage that a horde of undead zombie soldiers could bring to the table in WWII's European theater (Volume #1, MAY110785), the Pacific theater (Volume #2, OCT110764) and even gives us a chance to see America's founding fathers put some zombies back into the dirt (Volume #3, FEB130673).

With *Mother Russia*, Jeff McComsey is bringing the undead to one of the bloodiest battles of World War II: the battle of Stalingrad. Including soldiers and civilians that were killed, wounded or captured, Wikipedia notes that there were an estimated 1.9 million casualties during the course of this battle. With the living undoubtedly outnumbered by the dead at what point does the remaining human resistance look less like an organized army and more like an open buffet?

In this miniseries we follow famed Soviet Sniper Svetlana Gorshkov. Holed up in a tower and surrounded by the undead when she spies a small child through her rifle's scope. Unable to simply watch through her scope as the child is devoured by zombies she rushes to his side. Be sure to pick up *FUBAR: Mother Russia* #1 from Alterna Comics this April to see if Svetlana can rescue the boy and escape the trenches or if she continues the war as one of the living dead.

LAST OF THE SANDWALKERS GN

(W/A/CA) Jay Hosler

Nestled in the grass under the big palm tree by the edge of the desert there is an entire civilization, a civilization of beetles where beetles write books, run restaurants, and even do scientific research. But not too much scientific research is allowed by the elders, who guard a terrible secret about the world outside. Lucy is not one to quietly cooperate, however. This tiny field scientist defies the law of her home and leads a team of researchers out into the desert. Their mission is to discover something about the greater world — but what lies in wait for them is going to change everything. Beetles are not the only living creatures in the world. (STK666801)

WORLD WATER WARS GN

(W/A/CA) Johnny Lau

World Water Wars tells the story of a time, just like ours, when the wars of the world are fought over water. In this struggle, a special team has been formed with agents from all over the world to try to bring peace to the world. The Singapore based headquarters, which is located underneath the Singapore River, is headed by its management known informally as the "Trinity." Though known as an agency that deals with domestic water issues that has global significant, the agents spend most of their time "exporting" their "water mind" from one country to another, to fight species and unknown earthly creatures that are the cause of great floods and droughts globally. THE CARTOON INTRODUCTION TO PHILOSOPHY TP

(W) Michael F. Patton
(A/CA) Kevin Cannon

The Cartoon Introduction to Philosophy is an authoritative and engaging guide to the fundamental questions about our existence. In this indispensable primer, Kevin Cannon and the philosopher Michael F. Patton introduce the wisecracking Greek Heraclitus, who hops in a canoe with us as we navigate the great debates of Western thought. As we make our way down the winding river of philosophy, we encounter the disciplines of logic, perception, and epistemology; face the central problem of free will; and witness historic arguments over the existence of God. Patton's prose, combined with Cannon's rich artistry, puts the fun back into the quest for fundamental truths. (STK666388)

LEGEND OF THE SCARLET BLADES HC

(W/A/CA) Saverio Tenuta

New edition of the masterpiece by Italian creator Saverio Tenuta. Raido, a young, amnesic Ronin (masterless Samurai) roams the land in a quest to regain his memory. His first stop is "the city that talks to the sky," the ultimate stronghold against the ice invading the "land of the rising sun." There, he meets Meiki, a graceful puppeteer and storyteller. But the unlikely duo soon incur the wrath of the beautiful, yet evil, Queen Ryin and her body-grafting general. *Legend of the Scarlet Blades* is an exquisitely painted saga, whose universe is inspired by feudal Japanese history and traditions, and full of breathtaking settings populated by a myriad of wondrous mythical beings that stay with the reader long after the last page. IN GOD WE TRUST HC

(W/A/CA) Winshluss

Winshluss' multi-levelled retelling of The Bible revises the founding myths of the holy book. We are guided through the maze of the Old and New Testament by St. Franky, with a nose like a strawberry from drinking altar wine and a sceptical attitude. God looks like a retired biker and is a shy and alcoholic seducer, Jesus had a punk phase, Mary is naive and lonely. From the comic book parody (*God vs Superman*) to the adulterous tragedy, through the story of creation and a study of the disappearance of the dinosaurs to the mystery of the resurrection, the density of the book will leave the reader no respite from the horrors suffered by an inept and inconsistent humanity and the acts of an apathetic, drunk, and jaded divine power. A TOWN CALLED DRAGON TP

(W) Judd Winick (A/CA) Geoff Shaw

Legendary Comics transports you to *A Town Called Dragon*. On the surface it seems like your average all-American tourist trap, but this snow-covered town hides a burning secret. After centuries of lying buried within the depths of an icy mountain, the world's last dragon egg finally hatches—endangering modern life as we know it. Now an unlikely group of dangerously unqualified, ordinary citizens must band together, battling the elements — and each other — to slay this menacing creature. (STK666549)

WILD STARS

(W) Michael Tierney (A) Michael Tierney & Various (CA) Frank Brunner

Seventy-five thousand years ago, mankind made its first migration into space and colonized planets. Every story of UFOs, Space Gods, or Aliens are the result of visits from our distant cousins. Now they've become embroiled in a galactic war with the genocidal Brothan, who will either rewrite Earth's history so that fascism rules the world, or annihilate the planet by igniting Jupiter into a second sun. *Wild Stars* is a complicated and fast-paced multi-genre tale, combining backwoods dirty dealings with space opera on a galactic scale. The first volume collects the original comics; the second volume is a prose novel prequel to the comics. (STK667685)

GHETTO BROTHER: WARRIOR TO PEACEMAKER GN

(W/A) Julian Voloj, Claudia Ahlering

An engrossing and counter view of one of the most dangerous elements of American urban history, this graphic novel tells the true story of Benjy Melendez, a Bronx legend, son of Puerto-Rican immigrants, who founded, at the end of the 1960s, the notorious Ghetto Brothers gang. From the ravages of his neighborhood, wracked by drugs, poverty, and violence, he managed to extract an incredibly positive energy from this riot ridden era: his multiracial gang promoted peace rather than violence. After initiating a gang truce, the Ghetto Brothers held weekly concerts on the streets or in abandoned buildings, which fostered the emergence of hip-hop. Melendez also began to reclaim his Jewish roots after learning about his family's dramatic crypto-Jewish background. (STK667661) (C: 0-0-1)

BIG BANG UNIVERSE #1
AC Comics

AC Comics have always been a mix of homage to the classic heroes and heroines of yesterday with a bit of updating for today. The folks behind AC Comics are respectful to their characters, and now the folks at AC are helping to reintroduce Big Bang Comics, with its own universe of characters that are very much an homage to the classic heroes of the Golden, Silver, and Bronze Ages.

Back in the 90s creators Gary Carlson and Chris Ecker initially offered Big Bang Comics through Caliber Comics and then through Image Comics, putting a spin on the heroes we grew up with keeping them safe from the dark and gritty world other publishers assumed their readers wanted.

In *Big Bang Universe* #1, we are reintroduced to the Knight Watchman in the 48-page story "Skeletons in the Closet" with a 70s feel written by Carlson with art by Kerry Talbott. There is also a very 60s feeling Knight Watchman story by writer Bobby Nash and artist Jeff Austin, a long time contributor to the AC Comics/*Femforce* universe as well. A solo Galahad story, featuring the introduction of a new Galahad, helps round out this 80-page collection of unpublished stories with two covers a traditional Knight Watchman cover and a digitally painted Galahad/Lady-in-Waiting cover only available through Diamond.

Having been a fan of the Big Bang comics from their inception as they offered a counter-balance to the dark and gritty heroes of the mid to late 1980s, I'm hoping this is just the start of their return. Sometimes you just need heroes that are heroes and storylines that don't require going into debt to keep up sometimes straightforward is better and when done right its done best. Just don't miss *Big Bang Universe* #1 under AC Comics in this issue.

THE THRILLING ADVENTURES OF LOVELACE & BABBAGE HC GN
(W/A/CA) Sydney Padua
A unique take on the unrealized invention of the computer in the 1830s by the eccentric polymath Charles Babbage and his accomplice, the daughter of Lord Byron, Ada, Countess of Lovelace. When Ada translated Babbage's plans for the "Difference Engine," her footnotes contained the first appearance of the general computing theory, 100 years before an actual computer was built. Sydney Padua gives us an alternate reality in which Lovelace and Babbage build the Difference Engine, and then use it to do battle with the American banking system, the publishing industry, their own fears that their project will lose funding, and a villainous street musician who will force the two friends to reevaluate their priorities—"for the sake of both London and science." ROY THOMAS PRESENTS DICK BRIEFER'S FRANKENSTEIN: 1952-54 SLIPCASE EDITION
(W) Roy Thomas, Dick Briefer
(A/CA) Dick Briefer
Dick Briefer's Frankenstein is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be actually named as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools — humor and horror — Briefer's tales are absorbing and unsettling in equal parts. Some of the humorous material has already been reprinted, though not necessarily in order nor in total. Until now, of course! Collects issues #28-33, December 1952 to November 1954. As a second year high school student and president of the school's manga club, Yoshimatsu seems like your average, well-acclimated teenager, but a past surgery and a present handicap haunt him. Lacking the confidence to approach the radiant female ace of the swim club, Niki Awaya, Yoshimitsu can only admire her dazzling beauty from afar. So when a chance opportunity allows for a meeting between Yoshimatsu and Niki, what does the future hold for such disparate individuals? Could they possibly have more in common than meets the eye? COLD MOUNTAIN: THE LEGEND OF HAN SHAN AND SHIH TE, THE ORIGINAL DHARMA BUMS GN

(W) Sean Michael Wilson

(A/CA) Akiko Shimojima

This is a smart, funny graphic novel exploring the life, legend, and lore of two of the greatest poets in Chinese history — Han Shan (known as "Cold Mountain") and Shih Te — who lived during the Tang dynasty (618-906 CE). They were critics of authority (both secular and religious) and champions of social justice who left their poetry on tree trunks and rocks. They were also reportedly monastics, drunks, cave dwellers, immortals, and many other wild and wondrous things. Sean Michael Wilson has brought these renegade poets to life, showing the places they went and the philosophical and meditative aspects of their lives, as well as revealing their humor and wackiness and their penetrating insights into the human condition. LUCIFER AND THE BISCUIT HAMMER VOLUME 3: VOLUMES 5 & 6 TP

(W/A/CA) Satoshi Mizukami

The third omnibus edition of the zany adventures of one college kid stuck with the task of saving the world from global destruction! Everything about college student Amamiya Yuuhi is average: grades, looks, and his blasé outlook on life. So what happens when he awakens one day to a talking lizard, who informs him that there is a gigantic hammer in outer space that is poised to split the Earth into pieces and requests his allegiance in the fight against the forces of evil? In the adventure of a lifetime, Yuuhi will join forces with the capricious princess and a motley crew of companions to fight back against an evil mage and his horrifying homunculus before the Biscuit Hammer can destroy the planet! Story & Art by Kou **YONEDA**

A collection of masterful, sensual stories by popular yaoi creator Kou Yoneda! In the title story, Masato Karashima is a "transporter," a man paid to smuggle anything from guns to drugs to people. When he's hired by yakuza gang member Masaki Hozumi, he finds himself attracted to the older man, and what starts out as a business transaction quickly spirals into a cat-and-mouse game of lust and deception. In "Emotion Spectrum," a high-school student tries to be a good wingman for a classmate, with an unexpected result, while "Reply" is told from the alternating perspectives of an emotionally reserved salesman and the shy mechanic who's in love with him.

WALK TO FREEDOM
VICTORY FOR JUSTICE

O/A MARTIN LUTHER KING AND THE MONTGOMERY STORY ONE-SHOT
(W) Alfred Hassler, Benton Resnik
(A/CA) Benton Resnik
Nearly sixty years after its creation, a little-known landmark of comic book history returns! This 16-page comic is a simple but revolutionary account of the 1955 Montgomery Bus Boycott, in which Rosa Parks, Dr. King, and 50,000 others used the power of nonviolence to battle segregation on city buses — and win. First published in December 1957 by the Fellowship of Reconciliation, it went unnoticed by the mainstream comic book industry but spread like wildfire among civil rights groups, churches, and schools, helping to mobilize a generation to join the global fight for equality — nonviolently. Personally endorsed by Martin Luther King, Jr. himself, this new fully-authorized reprint edition is published by the Fellowship of Reconciliation in partnership with Top Shelf Productions. All proceeds go to F.O.R.'s work promoting nonviolence around the world. (STK634245)

In the early 1940s, Matt Baker became of one the earliest African-American comic book artists. But it wasn't the color of his skin which made him such a significant figure in the history of the medium. Imagine Dave Stevens or Adam Hughes working in the '40s, drawing a new story every month, and you'll have a good idea of Matt Baker's place in the industry throughout his career. Yet few of today's comic book fans know of the artist or his work, because he died in 1959 at the young age of 38, just as the Silver Age of Comics was bringing in a new generation of readers. SONIC/MEGA MAN: WORLDS COLLIDE – THE COMPLETE EPIC TP

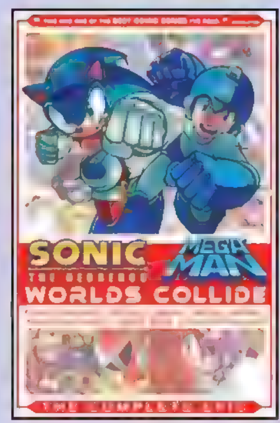
Archie Comics

SONIC MEGA MAN
WORLDS COLLIDE
THE COMPLETE EPIC



Sonic/Mega Man: Worlds Collide – The Complete Epic is exactly what it sounds like – **Epic!**

Collecting the 12 part maxi series from issues of *Mega Man*, *Sonic the Hedgehog*, and *Sonic Universe*, *Worlds Collide* sees the Blue Bomber and the Blue Blur team up to stop the evil machinations of both of their mustache twirling archenemies. Knuckles, Protoman, Tails, Roll, and many more -- the whole gang is there to put a stop to Dr. Wily and Dr. Eggman. That is part of what makes stories like this so exciting; colorful, exuberant unique personalities matching up to breathe new life into the characters.

A strong crossover brings out the best of different properties, and *Sonic/Mega Man: Worlds Collide* is one of the greatest modern day examples that you will find. Capturing the atmosphere of the video games, Ian Flynn expertly crafts a fun story drawn by a plethora of wonderfully talented artists. Topped off with a beautiful cover drawn by Patrick "Spaz" Spaziante, and there is plenty to love about this book.

Robot Masters? Plenty. Anthropomorphic heroes? Oh yeah. Robot Masters in an all-out duel with anthropomorphic animals with the fate of reality hanging in the balance? Don't say I didn't warn you. *Sonic / Mega Man: Worlds Collide – The Complete Epic* is a classic video game crossover told in a manner that can only be done in comics!

BEST-SELLING WRITER
JEFF LEMIRE
AND RISING STAR
MICO SUAYAN

From New York Times best-selling writer Jeff Lemire (*THE VALIANT, Green Arrow*) and red-hot rising star Mico Suayan (*HARBINGER, Moon Knight*), VALIANT NEXT delivers an all-new ongoing series for Valiant's most unrelenting hero!

Bloodshot's nanites made him a nearly unstoppable killing machine. His enhanced strength, speed, endurance, and healing made him the perfect weapon, and he served his masters at Project Rising Spirit - a private contractor trafficking in violence - very well.

Now, Bloodshot is a shadow of his former self. He lives in self-imposed exile, reeling from the consequences of his past life and the recent events that nearly drove him mad. But when a rash of shootings by gunmen who appear to look just like Bloodshot begin, his guilt will send him on a mission to stop the killers, even if it means diving headlong into the violence that nearly destroyed him.

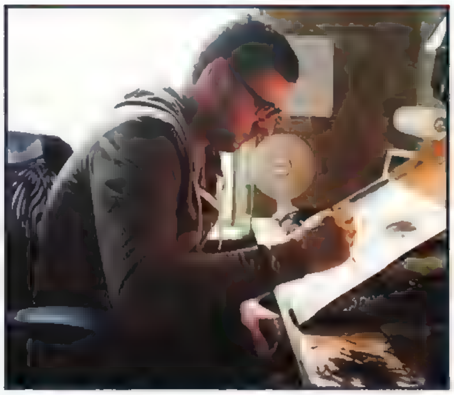
BLOODSHOT REBORN®

AN INTERVIEW WITH JEFF LEMIRE



You first picked up Bloodshot's story in the pages of THE VALIANT... What was your first impression of the character, and did you come to him with a long-term plan in mind?

JL: I actually already knew that I would be doing Bloodshot monthly before coming up with the story for THE VALIANT. I had my Bloodshot direction firmly planned so part of coming up with the story for The Valiant was getting the character to the starting point of BLOODSHOT REBORN #1.

Bloodshot isn't a character that really attracted me right off the bat. I enjoy doing really character driven stuff. Very emotionally charged stories, and Bloodshot by his nature is very cold and mechanical. So I started to think of ways to bring a bit more personality and heart to Bloodshot and that's where the seeds of BLOODSHOT REBORN came from.

I originally signed up to do one big Bloodshot story, about eight issues, because I'm so damn busy, but since then my plans keep growing and growing. I currently have a rough plan for 25 issues!

Famously, Bloodshot is virtually impervious to any kind of physical harm...but his psychological scars seem to last a lot longer. Where is he – both geographically and emotionally – when we first encounter him in BLOODSHOT REBORN?

JL: I cannot reveal where Bloodshot is emotionally or physically in Bloodshot Reborn #1 because that would spoil the end of THE VALIANT. BUT...Bloodshot will be in a place readers have never seen him before. I can also guarantee that readers will not need to have read ANY Bloodshot comics in the past to come in and enjoy our series from the start. It's a totally accessible first issue that gives you all the info you need to get in on the ground floor.

Tonally, how does BLOODSHOT REBORN stack up against the other Bloodshot stories and series that have come before? Do readers need any familiarity with the character before jumping into issue #1?

JL: It's very different from anything that's been done with the character in the past. It is very moody, very mysterious. Heavily influenced by my love of *True Detective* and David Lynch, whereas Bloodshot comics in the past have been action-adventure stories this is very much a mystery and a thriller.

In series like *Animal Man* and *Green Arrow*, we've seen you examine the very real human relationships behind otherwise superhuman characters. Do you have plans to develop an extended cast for Bloodshot in BLOODSHOT REBORN, or will his new mission primarily be a solo tale?

JL: One of my favorite things about *Animal Man* and *Green Arrow* was building a big supporting cast of new characters and Bloodshot will be no different. There are a number of new characters that will become very important to Bloodshot's story. One in particular is an FBI agent named Diane Festival, whom I LOVE writing and have big plans for as the series unfolds.

BLOODSHOT REBORN is your first collaboration with artist Mico Suayan. What is your take on his work thus far, and what sensibility does Mico bring to the page?

JL: He is a phenom. His work is so HYPER-detailed it boggles my mind. It is so moody and gorgeous. It's absoultely perfect for the tone I had in mind. And his intricate linework combined with David Baron's colors has been stellar. David is very much the cinematographer of the series. Setting mood and tome with his color work. It's a really amazing looking book.

Between your creator-owned projects and various series at DC, you've worked on a great variety of characters in a number of different genres. How is BLOODSHOT REBORN different from – or similar to – other projects you may have worked on in the past?

JL: BLOODSHOT REBORN is unlike anything I've ever done in the past. Which is good, I need to explore new things and new kinds of stories, or I'll get stale creatively and that will translate down to the readers. And Bloodshot has been totally invigorating for me. I'm going to places I never could before.

THE DEATH DEFYING DOCTOR MIRAGE TPB

Death was just the beginning...

Doctor Mirage talks to the dead...but the only spirit Shan Fong can't find is that of her late husband, Hwen. Instead, America's favorite semi-retired paranormal investigator is haunted and raw, using her gift to solve homicides and bring peace to the recently bereaved. But when a big-time occultist with a classified military past hires her for a special job, Shan discovers a lead that might close the greatest mystery she's ever tackled - how to get Hwen back! Now, Doctor Mirage must enter the undiscovered country and cross all the realms of the underworld if she has any hope of rescuing the man she loves... or be forever lost beyond the earthly plane.

Join Eisner Award-nominated writer Jen Van Meter (*Hopeless Savages, Captain Marvel*) and acclaimed artist Roberto de la Torre (*Daredevil, Age of Apocalypse*) as Valiant's occult adventurer embarks on a journey across the realms of the dead to bring her love back to the land of the living. A SAVAGE STANDALONE ADVENTURE FROM MASTER STORYTELLERS PETER MILLIGAN & CARY NORD!

ETERNAL WARRIOR: DAYS OF STEEL TPB

From steel comes salvation!

The Eternal Warrior...Gilad Anni-Padda, the Earth's Fist and Steel...is forever charged with guarding the Geomancer and securing the Earth's safety. After completing another brutal mission, the Earth's undying guardian is approached with a cryptic task: find and save a baby – in whose hands might rest the fate of an entire people! But the Eternal Warrior is no nursemaid...and, to complicate matters, a thousand Magyar invaders want the baby dead. At the edge of civilization, can history's most expert killer keep one precious life alive?

Start reading here as master storyteller Peter Milligan (*Hellblazer*) and Eisner Award-winning artist Cary Nord (*X-O MANOWAR, Conan*) chronicle the brutal and bloodied history of Valiant's immortal champion in an all-new tale of swords, savagery, and steel. Collecting **ETERNAL WARRIOR: DAYS OF STEEL** #1-3.

X-O MANOWAR DELUXE EDITION VOL. 2 HC

Born into battle, Aric of Dacia, the fifth century Visigoth now known as X-O Manowar, has never known peace. Abducted and enslaved by the savage alien empire known as The Vine, Aric finally escaped his captors after stealing their ultra-powerful X-O Manowar armor and returned to Earth...only to find that more than a thousand years had passed in his absence. Stranded in the modern day, the most primitive man on Earth now wields the most powerful weapon in existence as X-O Manowar...

But when Aric decides to use to his newfound power to reclaim the ancestral homeland of his Visigoth forefathers - the nation-state of Dacia, now in modern day Romania - he will inadvertently set the world on a path to nuclear annihilation...one that can only be prevented by the elite super-team called Unity! And, together, Unity will unleash a world-shaking battle royale pitting the world's most formidable heroes - Toyo Harada, Ninjak, Eternal Warrior, and Livewire - against the unstoppable might of X-O Manowar.

Collecting **X-O MANOWAR** #15-22 by New York Times best-selling writer Robert Venditti (*Green Lantern*) and artists Lee Garbett (*Loki: Agent of Asgard*) and Cary Nord (*Conan*), plus the sold-out **UNITY** #1-4 by New York Times best-selling writer Matt Kindt (*Mind MGMT*) and artist Doug Braithwaite (*Justice*), this deluxe, oversized X-O Manowar hardcover also comes packed with more than 20 pages of never-before-seen art and extras, direct from the Valiant vaults.

SUPERTEMPORAL GN

Axiom

Three super genius scientist friends discover the secrets of time travel, travel 100 years in the future where they discover the destruction of the human race has occurred and only crumbling rubble of society remain, and now they begin their real adventure to discover what cause the catastrophe and time travel some more to prevent it from actually occurring. You get the gist, but Axiom's newest graphic novel *Supertemporal* takes this story a little further that what we have seen before.

Creator and writer Howard M. Shum (*Gun Fu*) who has done work for Image, DC, and Dark Horse is no stranger to comic storytelling and his science fiction romp through time and space has a depth that other comics of the same genre don't always capture. The characters have fleshed out personalities (some we like, some we don't), the dialogue is dynamic, and Shum actually takes the time to make sense of the situation. You are not going to be stuck with a bunch of unexplained probabilities; this is not a story that turns a blind eye to the actual science that can go on when dealing with... well, science.

Not to mention Italian artist Simone Arena's super fluid and richly colored art really adds to the story's multidimensionality! She's got a more animation-like style that moves well from panel to panel and really builds upon the narrative in unique way.

Supertemporal with its strong art and writing is a serious page turner. If sci-fi adventures with a bit of comedy are your thing, this book is without a doubt a great one to pick up!

OFFERED AGAIN!

Kurouzu-cho, a small fogbound town on the coast of Japan, is cursed. According to Shuichi Saito, the withdrawn boyfriend of teenager Kirie Goshima, their town is haunted not by a person or being but by a pattern: uzumaki, the spiral, the hypnotic secret shape of the world. It manifests itself in everything from seashells and whirlpools in water to the spiral marks on people's bodies, the insane obsessions of Shuichi's father and the voice from the cochlea in our inner ear. As the madness spreads, the inhabitants of Kurouzu-cho are pulled ever deeper into a whirlpool from which there is no return!

A brand-new spin-off from the world of the hit anime and manga series, *Puella Magi Madoka Magica!* Joan of Arc is revered by the French as a hero of the Hundred Years' War and a saint of the Catholic Church. But her leadership and strength of character in her time did not escape the notice of Kyubey, who, even in the 15th-century, sought Magical Girl candidates for their valuable energies. With her friends and fellow Magical Girls fighting at her side, Joan fights the English occupiers of France — but will she soon find herself fighting something much more sinister? One fateful day, Ryousuke Kaga, a typical hopeless romantic and hopelessly perverted high school student, has a chance encounter in the rain with a beautiful girl. After graciously offering both his home for her to dry off in and his help for anything she might need, the mysterious red-eyed beauty thanks him by stabbing Ryousuke in the chest! To further complicate matters, the girl, Lisara Restole, is actually a *shinigami* — that is, a goddess of death — and Ryousuke has somehow unwittingly agreed to let her use his "essence" to remain in this world. But instead of shaving years off his life like one might expect of a typical shinigami, Lisara seems more interested in leeching the letch right out of him! (STK666585)

A collector of comic books since childhood, Jack Kusler began attending the San Diego Comic Conventions at the El Cortez hotel in 1974. To commemorate his trips, he took along his father's new Polaroid camera and took "instant" photographs of comic book legends. He also amassed an amazing collection autographs and photos of comic book luminaries, including Jerry Seigel and Joe Shuster; Bob Kane; Stan Lee; and many more. With more than 300 color photos in the book, Kusler offers a sampling of his experiences at the early days of the famed convention before it moved to the new convention center. (STK666372)

FUNNYBOOKS: IMPROBABLE GLORIES OF THE BEST AMERICAN COMIC

(W) Michael Barrier

Funnybooks is the story of the most popular American comic books of the 1940s and 1950s, those published under the Dell label. For a time, "Dell Comics Are Good Comics" was more than a slogan; it was a simple statement of fact. Many of the stories written and drawn by people like Carl Barks (*Donald Duck*, *Uncle Scrooge*), John Stanley (*Little Lulu*), and Walt Kelly (*Pogo*) repay reading and rereading by educated adults even today, decades after they were published as disposable entertainment for children. With clarity and enthusiasm, Barrier explains what made the best stories in the Dell comic books so special. He deftly turns a complex and detailed history into an expressive narrative sure to appeal to an audience beyond scholars and historians. (STK666543)

THE JOKER: A SERIOUS STUDY OF THE CLOWN PRINCE OF CRIME HC

Along with Batman, Spider-Man, and Superman, the Joker stands out as one of the most recognizable comics characters in popular culture. This is the first academic work to provide a comprehensive study of this villain, illustrating why the Joker appears so relevant to audiences today. The Joker debuted in *Batman* #1 (1940) as the typical gangster, but the character evolved steadily into one of the most ominous in the history of sequential art. Scholars from a wide array of disciplines look at the Joker through the lens of feature films, video games, comics, politics, magic and mysticism, psychology, animation, television, performance studies, and philosophy. THE BRONZE AGE OF DC COMICS

by Paul Levitz

TASCHEN'S THE BRONZE AGE OF DC COMICS 1970-1984 HC

(W) Paul Levitz, Dennis O'Neil (A) Neal Adams, Carmine Infantino (CA) Neal Adams

On December 15, 1978, the dreams of generations of American children finally came true. "You'll believe a man can fly," read the posters and billboards for the blockbuster film *Superman*. With an undeniable mass appeal, it cemented the role of the superhero as America's most enduring archetype, and the comic book as one of the country's most significant native art forms. That art form, however, was already moving in a new direction. Influenced by the emergence of underground comics and shifting political tides, DC's line of comics was increasingly aimed at adults, and sold in comic book shops, rather than on newsstands. Socially relevant subjects such as drug addiction, racism, and women's rights had entered the mainstream, and comics weren't just for kids anymore. *The Bronze Age of DC Comics* includes an original interview with *Green Lantern/Green Arrow* writer Denny O'Neil. With super heroes nearly extinct at the start of the 1950s, DC Comics reignited the fire that would make them central to modern popular culture by infusing them with science fiction elements. DC's writers and editors spun ever-more fantastic tales, bringing super heroes and Bob Hope alike into the realm of sci-fi. The results were transformative, delivering the first-ever "reboot" of Golden Age greats with the Flash, Green Lantern, and Hawkman as well as the hit TV show *Batman*. *The Silver Age of DC Comics* chronicles it all. TASCHEN'S 75 YEARS OF DC COMICS HC

(W) Paul Levitz (A) DC Comics

In 1935, DC Comics founder Major Malcolm Wheeler-Nicholson published *New Fun* #1, the first comic book with all-new, all-original comic material. What began as disposable media for children was soon on its way to becoming the mythology of our time, the 20th century's answer to Atlas or Zorro. Over 40,000 comic books later, in honor of the publisher's 75th-anniversary, Taschen has produced the single most comprehensive book on DC Comics in an edition even Superman might have trouble lifting. Over 2,000 images are reproduced to bring the storylines, the characters, and their creators to vibrant life as they've never been seen before. Telling the tales behind the tomes is 35-year DC veteran Paul Levitz, whose in-depth essays trace the company's history, from its pulp origins through to the future of digital publishing. (STK425471)

75 YEARS OF MARVEL: FROM THE GOLDEN AGE TO THE SILVER SCREEN HC

(W) Roy Thomas (A) Various

From the very first issue of *Marvel Comics* in 1939, Marvel created a mythological universe grounded in a world that readers recognize as close to their own, brimming with humor and heartache. In the early 1960s, this audacious approach launched the creation of heroes who have since become household names — Spider-Man, The Incredible Hulk, the Fantastic Four, Iron Man, the Avengers, Thor, the X-Men, the list goes on. TASCHEN presents a *magnum opus* of the influential comic book publisher. With essays by comics historian and former Marvel editor-in-chief Roy Thomas, this book delves into the heart of thousands of costumed characters who continue to fight the good fight in comics, movies, and toy aisles of the world. THE HIDDEN MICKEYS OF DISNEYLAND SC

(W) Bill Scollon
Walt Disney was fond of saying, "I only hope that we never lose sight of one thing: that it was all started by a mouse." And so it is only appropriate that the mouse is incorporated into nearly every aspect of the Disney parks and resorts. In some cases, though, Mickey's influence is a bit hidden. So what exactly is a Hidden Mickey? Quite simply, it's an artistic representation of Mickey that was intentionally placed amid the architecture and design of the parks and resorts. With this resort wide scavenger hunt, you'll be guided toward each Hidden Mickey, first with a general hint, and then with a very specific clue. (STK666125)

DARTH VADER AND FRIENDS HC

(W/A/CA) Jeffrey Brown

In this funny and sweet new book in the bestselling *Darth Vader* series, Eisner Award-winning author Jeffrey Brown offers an intimate look at the friendships between best pals in the *Star Wars* universe, from Darth Vader and the Emperor to Leia and her Ewok pals, Han and Chewie, C-3PO and R2-D2, the bounty hunters, and other favorite characters. Jealousy, birthday parties, lightsaber battles, sharing, intergalactic rebellion, and more all come into play as Brown's charming illustrations and humor irresistibly combine the adventures of our friends in a galaxy far, far away with everyday events closer to home. STAR WARS: LORDS OF THE SITH HC

(W) Paul S. Kemp

Action-adventure featuring the two most feared and famous Sith Lords ever — Darth Vader and Emperor Palpatine! As the Emperor continues to close his iron fist over the galaxy, occasionally situations arise that he does not want to trust even to his notorious right-hand man and apprentice, Darth Vader. Now, when the two of them venture out to handle a new political treaty in person, their journey lands them in the middle of insurgent action, alone on an inhospitable planet, and left to survive or die — they must rely solely on each other, the Force, and their awesome martial skills to prevail! (W) ian Doescher

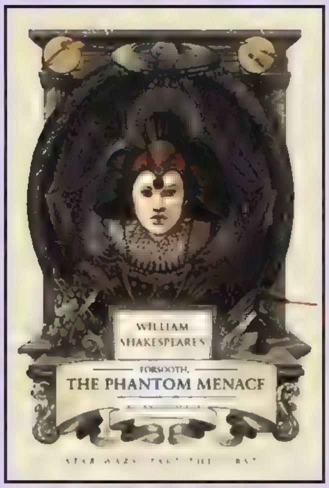
(A/CA) Nicolas Delort



When the best-selling *William Shakespeare's Star Wars* presented the classic George Lucas film in the form of an Elizabethan drama, the results blew the minds of *Star Wars* fans and Stratfordians alike. Now the curtain rises once again on that star-crossed galaxy far away, this time revealing the tragedy, hubris, and doomed romance that will lead to the fall of the Republic and the rise of an Empire. The saga starts here with this reimagining of Episode I, a prequel tale in which a disguised queen, a young hero, and two fearless knights clash with a hidden, vengeful enemy. Masterful meter, Shakepearean soliloquies, and intricate Elizabethan illustrations will leave more than a few readers convinced that the *Star Wars* saga sprang straight from the Bard's quill. STAR WARS EPIC YARNS HC'S

(W) Jack Wang, Holman Wang (A) Holman Wang, Jack Wang (CA) Holman Wang

Jedi apprentices and little princesses will delight in this (heart)felt retelling of the *Star Wars* saga. And so will *Star Wars* fans of any age! The *Star Wars Epic Yarns* series launches with the original trilogy, and every word counts in these small but perfectly formed yarns. That's because each volume features 12 iconic scenes, handcrafted in felt and pithily summarized in just a single word. The attention to detail is eye-opening; the proportions are just-right for small hands; the fun is guaranteed. In *A New Hope*, Princess Leia sends a hologram message through R2-D2, Luke Skywalker will learn how to use a lightsaber, and our heroes triumph. In *The Empire Strikes Back*, Luke meets his teacher Yoda, Han Solo makes a friend, and there is a lightsaber duel with a Sith Lord in the dark. In *Return of the Jedi*, the monster Jabba is encountered, C-3PO conducts story time and there is a happy ending. (STK667358) (C: 0-1-0)

From *Nightmare on Elm Street Part 2: Freddy's Revenge*, the man of your dreams is back as our newest retro clothed action figure! NECA has integrated a number of design improvements into this 8" Freddy figure, like a new Type 2 body with added articulation, including bicep swivel and improved thigh movement. He's dressed in fabric clothing similar to the toy lines that helped define the licensed action figure market in the 1970s, and we've upped the ante there too, with improved tailoring and a tighter-fitting sweater with striped sleeves. Freddy comes with two interchangeable heads, interchangeable gloved hand and bladed hand (unique to this Part 2 version of Freddy), and a removable hat. Blister packaging with custom illustrated art and a resealable protective clamshell. (STK667236) Scheduled to ship in April 2015. MEGA MAN X: X STATUE
X is the final and greatest creation of Dr. Thomas Light, and created as a successor to the original Mega Man. Unlike the original, X was created with a much more advanced A.I that allowed him to think, reason and act totally independently. First 4 Figures is proud to unveil the first piece in our high-end *Mega Man X* collectibles: X! X is charging his X Buster, whilst he hovers above a platform in the sky stage from the original Mega Man X game on the Super Nintendo. The implementation of LED lighting not only brings added life to the jets from X's boots, but to the X Buster and his helmet. The piece is made from high-quality polystone resin that is hand painted, allowing for a simply stunning finish Standing in 1/5-scale at over 17" tall, the statue is an essential part of any *Mega Man* collection. SEGA ALL-STARS: JET-SET-RADIO BEAT STATUE
First 4 Figures is proud to unveil the mascot of Sega's hit game *Jet-Set-Radio*: Beat! Beat is a renegade 17-year-old "rudie" from Tokyo-To, and the founder of the gang called the GGs. Using his special magnetically powered in-line skates, Beat is out to tag as much of the city of Tokyo-To as possible with his spray-cans, and to put a stop to the Golden Rhinos gang: a group of assassins operated by the Rokkaku corporation. Cast in high quality polystone and painted by hand, we have worked hard to capture Beat in a look reminiscent of the cel-shaded style that the original Jet Set Radio was praised for. Recreated in 1/6-scale, Beat measures 14" tall from the base to his head. LEDs in the sparks flying from Beat's in-line skates flash and flicker, bringing extra life to the piece! DC COMICS ZATANNA BISHOUJO STATUE

Continuing the lineup of beautiful bishoujo-inspired statues combining the superheroines and villains of DC Comics with traditional Japanese stylings is a truly magical lady, the sorceress **ZATANNA!** Using sleight of hand as well as her considerable beauty, Zatanna distracts you, her audience, as she prepares to pull something out of her hat. The magician looks like she is frozen in mid-performance, wearing her stage costume and sculpted in a unique pose. Zatanna balances on one foot with the other pulled up under her as she leans to the side, dramatically aiming her wand at her outstretched top hat. The beguiling sorceress wears her classic costume, a feminine version of a traditional magician's outfit with high heeled boots, fishnet stockings, white gloves, a black bodysuit, and a complex top with tuxedo elements. There is an incredible amount of sculpted detail in Zatanna's intricate clothing as well as her long, flowing hair and captivating bishoujo-styled face. Sculpted by Takaboku Busujima (Busujimax), Zatanna stands just under 10 inches tall (1/7 scale) on her specially designed display base. Whether displayed on her own or with other DC Comics Bishoujo statues on your shelf, this enchantress is ready to work her magic!

DC HEROES

FEATURED ITEM

HARLEY QUINN "INJUSTICE" S.H. FIGUARTS FIGURE

From Tamashii Nations. When The Joker's around, you know that the devious Harley Quinn can't be far behind. Harley Quinn joins *S.H.Figuarts* with a full arsenal of accessories of a questionably dangerous nature. Knock out her enemies with her hazardous, but also highly detailed, giant hammer. Or use the two handguns to perfectly recreate high-action poses from the game. You can also pose Harley with a playing card that matches *S.H.Figuarts The Joker.* The 6" tall figure comes with interchangeable hands (x7) and interchangeable face parts (x2) to create a variety of dynamically devious situations. (STK666987) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in June 2015. O/A BATMAN ARKHAM ORIGINS PLAY ARTS ~KAI~ FIGURES

From Square Enix. The second wave of Play Arts ~KAI~ from 2013's smash hit Batman: Arkham Origins is here! Robin is a dynamic crime fighter: not only well-versed in handling any and all types of weaponry with exceptional shooting and martial arts skills, but also demonstrating a sharp detective's mind as an expert in criminology. Because of his exceptional talents, Robin's partner Batman has placed the utmost trust in him. *The Jokers's* skin is so pale that it appears devoid of life and his blood-red lips look more like a gaping gash on his face than a mouth. He puts his personal twisted spin on all the unfairness of the world, turning it into a dark, demented joke. *The Joker* stands nearly 11" tall, and *Robin* stands more than 10-1/2" tall. Both figures include a display stand. (STK657398) **Available Now!** (1089) (C: 1-1-2) **NOTE:** Available only in the Western Hemisphere.

METAL GEAR SOLID 5: THE PHANTOM PAIN PLAY ARTS KAI: QUIET ACTION FIGURE

From Square Enix. From the hotly anticipated addition to the legendary *Metal Gear Solid* franchise, *Metal Gear Solid V: The Phantom Pain*, it's the mute snipe Quiet joining the Play Arts ~KAI~ action figure line! This product line implements new joint structures, enabling smooth articulation at the elbows and knees. Also, the neck and ankles, as well as the shoulders, have a more natural look, thanks to a flexible resin to ensure a wider range of motion. Quiet wears her familiar outfit, from the skimpy bikini to the tattered leggings and combat boots, and she comes with her trusty sniper rifle. The figure stands 10 1/4" tall. (STK668960) Scheduled to ship in May 2015. (1089) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

METAL GEAR RISING REVENGEANCE: RAIDEN 1/6-SCALE PVC STATUE

From Ultra Tokyo Connection. Raiden, the enormously popular central character from the mega hit action game *Metal Gear Rising Revengeance*, is recreated as a PVC statue. The heroic pose, grabbing a "Self Repair Unit" extracted ("Zandatsu Kill") from the enemy cyborg soldier in his left hand, and his HF blade in the right, highlights the best part of Akao's technique The statue features a well-balanced & beautiful muscular body that also illustrates his outstanding skill. The highly detailed mechanical designs of the weapons and overlapping armor are digitally sculpted by Akao's brother in their first collaboration. The eye glows red with a mounted LED in the head. The closed visor for battle mode is available with optional parts. The "HF Murasama Blade" left by his worthy rival, Jetstream Sam, is interchangeable in his right hand, and with the scabbard in his left hand. As for the cyborg soldier lying at his feet, the statue shows not only the abject cut surface of the body, but also "the expression of the dying arm" trying to say something. This masterpiece thoroughly supervised by Yoji Shinkawa (the art director of Kojima Production) is the most pictorial and beautiful Raiden ever. (STK664373) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in April 2015. (3241/852689910213) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

MUSIC

Jimi Hendrix

JIMI HENDRIX LIMITED EDITION BOBBLE HEAD

The iconic guitarist that changed rock 'n' roll history is now honored and available as a hand numbered, limited edition bobble head. Widely regarded the greatest guitarist of all time, the late, great left-handed genius rose to stardom in the late '60s with timeless anthems like "Purple Haze," "Foxy Lady," "Little Wing," and "Voodoo Chile," as well as his indelible covers of Billy Roberts' "Hey Joe" and Bob Dylan's "All Along the Watchtower." Though Hendrix's tragic death in 1970 ended his brief but astonishing career, his legacy continues to thrive from the impact of his music on generation after generation. Drastic Plastic Collectibles is proud to offer Jimi Hendrix, rendered from a classic image playing his guitar in 1967, the year of Hendrix's landmark debut LP *Are You Experienced?* Standing approximately 7" tall, the Jimi Hendrix bobble head is cast in durable polyresin for stability and features exquisite detail. WARHAMMER 40K:
DAMNATION OF PYTHOS MMPB
(W) David Annandale
In the aftermath of the Dropsite Massacre at Isstvan V, a battered and bloodied force of Iron Hands, Raven Guard and Salamanders regroups on a seemingly insignificant death world Fending off attacks from all manner of monstrous creatures, the fractious allies find hope in the form of human refugees fleeing from the growing war, and cast adrift upon the tides of the warp. But even as the Space Marines carve out a sanctuary for them in the jungles of Pythos, a darkness gathers that threatens to consume them all... (STK668603) (C: 0-1-2)

SLAYER

WARHAMMER FANTASY: GOTREK AND FELIX—SLAYER HC

(W) Various

For many long years, Felix Jaeger has followed the dwarf Slayer Gotrek Gurnisson across the world. Their adventures have been extraordinary, their heroic partnership the stuff of legends. Now it ends. With their friendship in tatters after a series of betrayals, the pair march south at the head of a ragtag army, intent upon driving the forces of Chaos out of the Empire and returning Felix to his wife. But Gotrek's doom is at hand, and great powers are at work to ensure that he meets it. With enemies on all sides and destiny calling, Felix must make a choice: to follow Gotrek into the darkness that awaits him, or to abandon his oldest friend once and for all. (STK668606) (C: 0-1-2)

PATHFINDER ADVENTURE CARD GAME: WRATH OF THE RIGHTEOUS BASE SET

The Abyss awaits! When the city of Kenabres is destroyed by a horde of demons, only you can save the world! In *Wrath of the Righteous*, the epic new Adventure Path for the *Pathfinder Adventure Card Game*, you will travel to the Abyss to battle the malevolent minions of the demon lord Deskari. Along the way, you'll become mythic heroes that rival the greatest legends the world of Golarion has ever known. The saga begins in the *Pathfinder Adventure Card Game: Wrath of the Righteous Base Set*. Choose from 7 characters, each with a different style of play. Build a deck of powerful boons which will grow according to your desires as you advance in power by conquering challenges. Eventually, you'll gain a mythic card, which will allow you to warp the rules of the game and use the first-ever 20-sided die to appear in a *Pathfinder Adventure Card Game* release! This Base Set contains: More than 500 cards featuring a new set of boons for your characters to collect, and never-before-seen monsters and barriers of a decidedly abyssal nature; 7 character classes, including the all-new Arcanist, Cavalier, Inquisitor, and Summoner; *The Worldwound Incursion Adventure Deck*, an 110-card deck that begins the *Wrath of the Righteous* Adventure Path; and a complete set of 6 polyhedral dice — including the first d20 in the *Pathfinder Adventure Card Game*! PATHFINDER ADVENTURE PATH: GIANTSLAYER PART 3: FORGE OF THE GIANT GOD

The heroes explore the tomb of a legendary giantslayer before venturing into the Mindspin Mountains in search of the valley where the Storm Tyrant is recruiting giants for his army. The adventurers must confront the numerous giants inhabiting the winding valley before making their way to the giant headquarters, an ancient temple to the giant god Minderhal, which contains a powerful artifact. But the valley of the giants is just a recruiting station, and the Storm Tyrant's stone giant representative has been sending the most promising recruits to a training camp deeper in the mountains. *Forge of the Giant God* is a *Pathfinder RPG* adventure for 7th-level characters. This adventure continues the *Giantslayer* Adventure Path, an epic campaign of classic sword & sorcery thrills. Several new monsters, details of the faith of the giant god Minderhal, a gazetteer of the Mindspin Mountains, and the next installment of the *Pathfinder's Journal* written by Greg A. Vaughan round out this volume of the monthly *Pathfinder Adventure Path*! (STK664708) (C: 0-1-2)

PATHFINDER ROLEPLAYING GAME: PATHFINDER UNCHAINED

Break your chains! The *Pathfinder RPG* contains numerous rules considered sacred by players and GMs alike. Since the system itself was based upon RPG "technology" already more than 10 years old at the time of its creation, "backwards compatibility" often meant sticking with the familiar, even if tradition was filled with cobwebs and decades-old assumptions. *Pathfinder Unchained* dares to take a fresh look at the system itself, altering some of the fundamentals of the game and giving fresh optional takes on classic rules. Inside this 256-page hardcover collection of alternate rules and options you'll find completely redesigned versions of the Barbarian, Monk, Rogue, and Summoner classes. delve into a new system for resolving player actions designed to speed play and dispel confusion. Many of the new systems (such as the revised classes) work seamlessly with the existing *Pathfinder* rules. Even the most staunchly traditionalist player will appreciate the book's math-lite system for on-the-fly monster creation and the new system for generating dynamic magic items that go far beyond a simple +1 to add lore and interest to the campaign. Players will love the book's new resource pool for martial characters, allowing for exciting new tactical options, as well as the robust new system that allows spellcasters to modify their spells with powerful spell components. DEVILS & REALIST: COMPLETE COLLECTION

From Sentai Filmworks. William Twining leads the perfect life of an aristocratic noble: he's handsome, wealthy, intelligent, and takes great pride in his family's lineage, all while dreaming of his future in high society. After his wealthy uncle goes bankrupt from bad investments, William worries about losing his good name. When he's told his tuition has yet to be paid at the prestigious Stradford School, he quickly rushes to his estate — only to find that the debt collectors have taken everything and his uncle is missing. Struggling to find a way to pay for school, William stumbles upon a mysterious room where he accidentally summons Dantalion, Grand Duke of the 36 Armies of Hell. Being a hard-line realist with a love for science, William does not believe in demons and takes Dantalion as a con artist. But the truth of the matter is: as a descendant of Solomon, and the "Elector," William is the person that must select a substitute ruler to take Lucifer's throne. His fate will forever change as he is now entwined and inseparable from the underworld which he must manage and nominate an infernal substitute king. FREEZING VIBRATION: THE COMPLETE SERIES

From Funimation! The masters of action-oriented fan service who brought you Ikki Tousen are back with a brutally busty bloodletting that includes six scintillating OVAs! Eager to follow in the footsteps of his fallen sister, Kazuya enrolls at West Genetics Academy, a training facility for buxom heroes known as Pandoras. These courageous schoolgirls are genetically-enhanced with enough sex appeal to cripple a man — and the superhuman strength to slaughter aliens by the dozen. Kazuya's role is that of Limiter, a Pandora's battle partner, and he quickly sets his sights on the most feared beauty in school, Satellizer el Bridget. This full-figured annihilator of aliens is as desirable as she is deadly, but rubbing her the wrong way could lead to gross bodily harm. Can Kazuya forge a bond with his new partner and rise to the top of the ranks at West Genetics? Or will he fall victim to the mysterious bloodlust lurking within Satellizer? (STK668759) (C: 0-1-1)

BIKINI AVENGERS

THE SINS OF DRACULA

From MVD Entertainment! As the star of his church choir, there's nothing that brings Billy more joy than the opportunity to sing for an audience. However, as his desire to perform grows, the stalwart youth finds that waiting until Sunday to get his fix just simply isn't enough. Going against the advice of his pastor, Billy follows his girlfriend into the world of secular entertainment, joining the local community theatre troupe. There, Billy is introduced to a whole new world, where his fellow thespians dabble in drugs, sexual perversion, and table-top game-play. Yet, for all the newly minted depravities Billy encounters, none could prepare him for the darkest truth of them all: The theatre group is actually a front for a Satanic cult intent on raising Dracula from the grave! A tongue-in-cheek tale that satirizes the Christian scare films of the 70s and 80s, *The Sins of Dracula* is a story of sex, sacrilege, and sin. It's a world where Sondheim is Satan, Broadway means blasphemy, and where taking the stage just might mean curtains... for your eternal soul. (STK668611) (C: 0-1-1)

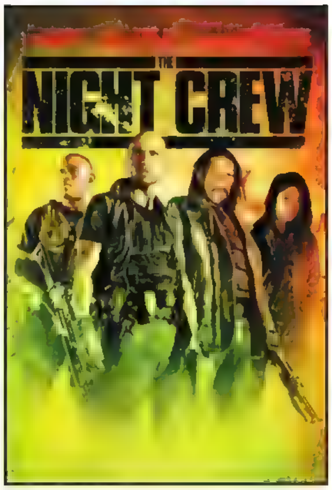
MEMORY LANE
SOME DIE TO FORGET
HE DIES TO REMEMBER

MEMORY LANE

From MVD Entertainment! When PTSD-plagued war vet Nick returns home and finds that his finance Kayla has committed suicide, he decides to take his own life, but what he sees in flashbacks moments before he is resuscitated leads him to believe Kayla was murdered. Now Nick must travel back and fourth between our world and the afterlife in a search of her killer but to do it, he will need to die over and over again. A brilliant and complex science thriller that has been compared to independent sci-fi classics *Pi* and *Primer.* (STK668609) (C: 0-1-1)
DVD..$14.95



NIGHT CREW

From Entertainment One! A group of hard-up bounty hunters must survive the night in a desert motel against a horde of savage border runners. They soon realize that their fugitive, a mysterious Chinese woman, is more more than she lets on. (STK668553) (C: 0-1-1)

BLADE RUNNER: MUSIC FROM THE ORIGINAL SCORE

From MVD Entertainment! Blade Runner has become a cult film favorite the world over. Over the years, multiple edits of the film have been created for the home video, DVD and Blu-Ray markets. Similarly Vangelis score has been released in several different incarnations, but none of them are accurate representations of what was heard in the original 1982 film. Largely because of a dispute between Vangelis and Scott over the director's use of his music in the film, a proper soundtrack of the music as it is heard in the film has never been commercially issued. BSX Records seeks to correct this oversight, with a new recording faithfully recreating the original music from the film, which proved to be a difficult task. Vangelis score was composed entirely by performing on keyboards and recording it directly, so no written transcriptions exist. Composer Edgar Rothermich was charged with reverse engineering the score listening to the original music and a 1982 album mock-up and transcribing it by ear. He also had to recreate the sound of 1982 synthesizers and decipher if noise heard was due to recording on tape or stylistic choices by the composer. (STK668578) (C: 0-1-1)

RE-ANIMATOR

RE-ANIMATOR ORIGINAL SOUNDTRACK

From Waxwork Records! The good people over at Waxwork Records are gearing up for their every FIRST release of the original soundtrack to the horror film, *Re-Animator!* Directed by Stuart Gordon, the film has since become a cult classic, driven by fans of Jeffrey Combs, H.P. Lovecraft, extreme gore, and the combination of horror and comedy. Richard Howard Band has scored more than 70 films, and his score for Re-Animator was lauded by the magazine *Music From the Movies.* Recorded in Italy in 1985, the Re-Animator score is performed by the Rome Philharmonic Orchestra. Layers of synth driven beats and eerie tonal figures layered by Richard Band make this score a classic within the horror genre, immediately recognizable amongst fans, and pays tribute to composer Bernard Hermann. SILENT NIGHT DEADLY NIGHT ORIGINAL SOUNDTRACK

From Death Waltz! Death Waltz Recording Co. may be home to some of the scariest music around, but it doesn't mean that we don't get into the Christmas spirit now and again. In that tradition, here's our idea of Xmas cheer as we present the release of Perry Botkin's jolly old score to the controversial 1984 slasher *Silent Night Deadly Night*. Botkin's score is both chaotic and tragic; crashing sounds of distorted percussion are punctuated by both synth and acoustic piano, reflecting the sheer damage that has been done to Billy's mind. The end result is both emotional and terrifying, even more so with the selection of original Christmas songs as composed by Morgan Ames that are spread amongst the film's soundtrack. DECEMBER'S BEST-SELLING TITLE: BATMAN #37

The ultra-top-secret *Batman* arc known only as "Endgame," continues! It's a story arc so steeped in mystery that all DC would reveal is the title! We can tell you however, that **Batman #37** ships with four different covers — including a regular cover by Greg Capullo and a variant by Darwyn Cooke!
